Koalas, Los (Spanish) 2004-10 Photographer, veterinarian, and author Graham Meadows and zoologist Claire Vial have combined their talents to produce this stunning series of animal books. Ideal for children who wish to know more about various species of animals: their characteristics, their behaviors, and their young. A valuable resource that assists students in gathering and sorting up-to-date, researched, factual information at an appropriate reading level. Nonfiction text features such as tables of contents, headings, glossaries, labels, and highlighted vocabulary enable students to easily locate information.

Don't Call Me Bear! Aaron Blabey 2019-09-17 Koala is NOT a bear! (Or is he?) Find out why Koala is so mad in this new, irresistibly funny picture book from Aaron Blabey, the bestselling creator of Pig the Pug! "G'day, my name is Warren and I've got something to share... Just because I'm furry DOESN'T MEAN THAT I'M A BEAR." Koala is sick of being called the wrong thing. Koalas are NOT bears, and it is time that everyone knows it! Follow this feisty little koala as he explains why he is certainly NOT a bear (and why no one ever seems to believe him). Rich with author-illustrator Aaron Blabey's hysterical text and unforgettably wacky illustrations -- plus nonfiction facts woven throughout -- Don't Call Me Bear! is a hilarious story about making sure everyone knows exactly who you are!

Discover Alligators & Crocodiles Victoria Marcos 2018-05-01 Discover Reading Level 3 Nonfiction Reader Learn all about alligators and crocodiles in this nonfiction reader. Students will develop vocabulary and understanding of the species and their characteristics. Sample Text: Alligators and crocodiles look very similar and are sometimes difficult to tell apart. Alligators have shorter heads, more "U-shaped" snouts and only their top teeth are visible when their mouths are closed. Crocodiles have longer heads and more "V-shaped" snouts. If you look at them from the side, when their mouths are shut most of their teeth are visible. Crocodiles are also much more aggressive than alligators.

A Koala Joey Grows Up Joan Hewett 2004-08-01 Mel is a koala joey. She is growing up in a park in Australia. She likes to ride on her mother's belly. In less than a year, she grows from a tiny pink baby living in her mother's pouch into a full-grown, eucalyptus-leaf-eating koala.

Koalas Kari Schuetz 2011-08-01 "Developed by literacy experts for students in kindergarten through grade three, this book introduces koalas to young readers through leveled text and related photos"--Provided by publisher.

The Koala Book Ann Sharp 1995-01-01 Introduces this unique animal, its evolution, physical characteristics, distribution, life cycle and socialization, as well as how people have interacted with the koala since its discovery, the severe threats from human influence that it still faces and what people are doing to save it and its habitat.

Koala Grace Hansen 2019-08-01 This title covers basic information about koalas, one of Australia's cutest marsupials! Information in the title includes a koala's habitat, diet, habitats, and more. Koalas Laura Marsh 2014 An introduction to koalas covers where they live, what they eat, and how they communicate, and follows the animal's development from cub to adult.

National Geographic Readers: Koalas Laura Marsh 2014-01-07 With a seemingly permanent half-smile on their face, koalas are appealing to boys and girls alike. Filled with adorable photos, and carefully leveled text, this level 1 reader introduces beginning readers to these furry creatures, from cub to adult, exploring where they live, what they eat, and even the way they say "hello"—by touching noses! National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

Koala Hospital Suzi Eszterhas 2015 Take a tour of a hospital dedicated to caring for sick and injured koalas.

True Stories of Animal Heroes: Fluffles Vita Murrow 2021-03-02 In this new series, based on real-life animal tales, discover that not all heroes wear capes – some have four legs, a wet nose, and a brave heart. Big or small, fall in love with animal friends who have lived truly wild lives. Read about Fluffles, the koala, who held strong through the bushfires in South Australia with bravery. While she healed she found other koalas to snuggle up with. Their cuddles for one another helped make the whole outback feel better. Hugs were an act of heroism! This heartwarming story has a fact section at the back, so you can learn more about koalas and how you can help them. Adorable illustrations from Rachel Qiuqi will make you want to hug the page. Also debuting for the series is Onyx, based on the reintroduction of wolves of Yellowstone Park. And there's even more heartwarming stories to come! Sterling the Moose and Talala the Leopard.

My Favorite Animal: Koalas Victoria Marcos 2018-05-01 What's your favorite animal? In My Favorite Animal: Koalas, students will learn amazing facts about koalas. Each My Favorite Animal book features interesting non-fiction at a 2nd-grade reading level paired with questions throughout the text to check the reader's comprehension. Sample Text: Koalas are solitary animals. They are mostly active at night and spend most of their time eating and sleeping. Koalas are also territorial animals. They find an area that has trees that provide food and shelter. They mark their territory by making scratch marks on trees.

Finding Home Sandra Markle 2018-03-29 Read Along or Enhanced eBook: A remarkable story of survival. The creators of A MOTHER'S JOURNEY and LITTLE LOST BAT, Sandra Markle and Alan Marks team up again to chronicle the challenges faced by a mother koala: protecting herself and her joey from a raging bushfire, and finding food and a new home after their home range is destroyed. Based on a true story. Back matter includes facts about koalas, an author's note about Cinders, the real-life koala that survived two bushfires, and resources for learning more about koalas and their habitat.

Reading Gems Fact Finders: Koalas (Level 1) Katie Woolley 2019-07-16 Reading Gems is a series designed to spark a love of reading. It is a supplementary reading programme that is graded into four levels to perfectly suit a child's reading ability from an emerging reader to a confident, independent reader. Parents and teachers can be reassured that children are reading books that support their ability, challenge their reading skills and encourage reading confidence with every word on the page.

Crossings Katy S. Duffield 2020-10-13 This powerful nonfiction picture book explores wildlife crossings around the world and how they are helping save thousands of animals every day. Around the world, bridges, tunnels, and highways are constantly being built to help people get from one place to another. But what happens when construction spreads over, under, across, and through animal habitats? Thankfully, groups of concerned citizens, scientists, engineers, and construction crews have come together to create wildlife crossings to help keep animals safe. From elk traversing a wildlife bridge across a Canadian interstate to titi monkeys using rope bridges

over a Costa Rican road to salamanders creeping through tiny tunnels beneath a Massachusetts street, young readers are certain to be delighted and inspired by these ingenious solutions that are saving the lives of countless wild animals.

So Cute! Koalas Crispin Boyer 2019 Its round, fuzzy body, its fluffy ears, those button eyes ... Let's face it: koalas are SO CUTE. And so is this book! Get ready for some koala-ty time with this cute critter! But in case you're wondering if cuteness is all there is to koalas, think again! This little guy's got attitude! You'll flip over the adorable photos and be equally charmed by what this sassy little koala is thinking on every page. Introducing the brand-new series from National Geographic Kids that combines two wonderful things: mega-cute photos of all your favourite fluffy animals and silly text that will have the whole family laughing. Add to that some great non-fiction content that gets kids learning, and, what can we say? This series is just so cute and cool!
