The Immortal City Amy Kuivalainen 2019-09-19 In the heart of Venice, a woman is sacrificed to a forgotten god, sparking a mystery lost for thousands of years. Dr. Penelope Bryne is ridiculed by the academic community for her quest to find the remnants of Atlantis, but when an ancient and mysterious script is found at a murder site, she flies to Venice determined to help the police before the killer strikes again. Penelope has spent her entire life trying to ignore the unexplainable and magical history of Atlantis, but when she meets the enigmatic Alexis Donato, everything she believes will be challenged. Little does she know, Alexis has spent the last three years doing his best to sabotage Penelope’s career so doesn’t learn the truth—Atlantis had seven magicians who survived, and who he has a duty to protect. As Alexis draws her into the darkly, seductive world of magic and history, Penelope will have to use her heart as well as her head if she is to find the answers she seeks. With the new MOSE system due to come online, and Carnevale exploding around them, Penelope and Alexis will have to work together to stop the killer and prevent dark magic from pulling Venice into the sea.

The NES Encyclopedia Chris Scullion 2019-03-30 The NES is one of the most iconic video game systems of all time, and is credited with ‘saving’ the American video games industry in the early 80s when it looked likely to collapse. The NES Encyclopedia is the first ever complete reference guide to every game released on the Nintendo Entertainment System, Nintendo's first industry-defining video game system. As well as covering all 714 officially licensed NES games, the book also includes more than 160 unlicensed games released during its lifespan, giving for the first time a definitive history of this important console's full library. Written by a retro gaming expert with 30 years of gaming experience and a penchant for bad jokes, the NES Encyclopedia promises to be both informative and entertaining. The NES continues to enjoy a strong cult following among Nintendo fans and gamers in general with wide varieties of officially licensed merchandise proving ever popular: both for older fans who remember it the first time around, and younger gamers discovering the system for the first time through Nintendo’s regular re-releases of its older games. Nintendo’s most recent console, the Switch, is the fastest selling video game console of all time in the United States and Japan. Nintendo will be launching a variety of classic NES games for download on the system later in 2018, meaning a new audience of gamers is due to discover the NES for the first time.

The Land of Osiris Stephen S. Mehler 2002-03 "Was there a advanced prehistoric civilization in ancient Egypt? Who were the people who built the great pyramids and carved the Great Sphinx? Did the pyramids serve as energy devices and not as tombs for kings? Independent Egyptologist Stephen S. Mehler has spent over 30 years researching the answers to these questions and believes the answers are "Yes!" An indigenous oral tradition still exists in Egypt, and Mehler has been able to uncover and study it with the help of a living master of this tradition, Abd1El Hakim Awyan. He has also been given permission to share these teachings—presented heretofore in fragments by other researchers—to the Western World, teachings that unfold a whole new understanding of ancient Egypt"--Publisher's description.

The Fox and O'Hare Series 3-Book Bundle Janet Evanovich 2015-12-08 From Janet Evanovich, the acclaimed creator of Stephanie Plum, and Lee Goldberg, author and television writer for Monk, comes a series of New York Times bestselling novels that "mix the humor from Evanovich and Goldberg's books with the intricate cons seen in the best episodes of Mission: Impossible" (Library Journal). Charming con man Nicolas Fox and FBI special agent Kate O'Hare are the unlikely pair that is secretly tracking down criminals the law can't touch. Now their first three adventures are together in one action-packed ebook bundle: THE HEIST THE CHASE THE JOB Also includes the prequel short stories "Pros and Cons" and "Shell Game" and an excerpt from The Scam, the riveting fourth novel in the Fox and O'Hare series! Nicolas Fox is an international con man, famous for running elaborate scams on very rich and powerful people. He knows that the FBI has been hot on his trail for years—particularly FBI Special Agent Kate O'Hare. But just when it seems that Fox has been captured for good, he pulls off his greatest con of all. He convinces the FBI to offer him a job, working side by side with O'Hare. Together Fox and O'Hare are going to have to find a way to take down Derek Griffin, a corrupt investment banker charged with stealing millions from his clients—an assignment that will lead them down the back alleys of Berlin, into the deserts of California, and to a remote Indonesian island. High-speed chases, pirates, and Toblerone bars are all in a day's work . . . if O'Hare and Fox don't kill each other first. Praise for the Fox and O'Hare series "The laugh-out-loud humor that readers expect from Evanovich is in full force. . . . Everyone will be eager for the next book in the series."—Associated Press, on The Heist "Great fun, with plenty of twists."—The Sacramento Bee, on The Chase "This suspense series continues to mix the humor from Evanovich and Goldberg's books with the intricate cons seen in the best episodes of Mission: Impossible. The banter and thrills are nonstop, and readers will be anxious to see what happens next."—Library Journal, on The Job

Hidden History Brian Haughton 2009-04 Despite being enmeshed in a culture steeped in technology and science, the magic and mysteries of the ancient world still haunt our imagination. Through their architecture, artifacts, and deeds, ancient cultures speak to us across thousands of dusty years--from the labyrinthine palace of Knossos on Crete and the lofty pyramids of Egypt to the remotest jungle temples of Peru and the megalithic mystery of Stonehenge. HIDDEN HISTORY brings together a fascinating selection of these ancient enigmas. arranging them into three sections: Mysterious Places, Unexplained Artifacts, and Enigmatic People.

The Doom Box Greg Farshtey 2012 When Core Hunter escapes from Makuhero City's storage facility, the heroes discover he had stolen a devastating super-weapon called "The Doom Box," and the heroes of Hero Factory must stop him before he can destroy the galaxy.

The World's Sixteen Crucified Saviors Kersey Graves 2001-09 The World's Sixteen Crucified Saviors has been out of print but sought after for many years. A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994. Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins, then arose from the dead.

Tayos Gold Stan Hall 2007 In 1976, Scottish engineer Stan Hall organised a landmark expedition to the caves of the Tayos Indians in Ecuador, involving a dozen institutions, joint Special Forces, and astronaut professor Neil Armstrong as Honorary President and participant. Hall was driven by curiosity about Erich von Daniken's report of a Metal Library allegedly found in the caves by investigator Juan Moricz in the mid-1960s (published in von Daniken's 1972 blockbuster Gold of the Gods). This idea was considered unorthodox in the absence of any ancient written script in South America. In Hall's odyssey into the heart of global enigmas he researches: the origins of mankind; Atlantis; Ptolemy's lost city of Cattigara; and, the sudden rise and fall of wonder civilisations. This journey ended with his identification of Atlantis and Cattigara, and the entrance to the Metal Library along the Pastaza River in Ecuador. Imagination, action and danger combine explosively in the story of this spectacular British-Ecuadorian expedition to the Tayos Caves of Ecuador.

That's exactly what the Masters of Spinjitzu must find out before it's too late!

Fingerprints of the Gods Graham Hancock 2012-09-19 Could the story of mankind be far older than we have previously believed? Using tools as varied as archaeo-astronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest that it is. "A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought."—Kirkus Reviews In Fingerprints of the Gods, Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, Fingerprints of the Gods contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And Fingerprints of God tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur. "Readers will hugely enjoy their quest in these pages of inspired storytelling."—The Times (UK)

The Orion Prophecy Patrick Geryl 2001 In the year 2012 the Earth awaits a super catastrophe: its magnetic field will turn over in one go. Phenomenal earthquakes and tidal waves will completely destroy our civilisation. Europe and North America will shift thousands of kilometres northwards into polar climate. Nearly the whole earth's population will perish in the apocalyptic happenings. These dire predictions stem from Mayans and Egyptians -- descendants of the legendary Atlantis. The Atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world-wide flood in 9792 BC. They built tens of thousands of

mandjits and escaped to South America and Egypt. In the year 2012 Venus, Orion and several other stars will take the same 'code positions' as in 9792 BC, the year of the previous cataclysm! For thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood -- this book gives one possible location.

Super Graphic Tim Leong 2013-09-24 The comic book universe is adventurous, mystifying, and filled with heroes, villains, and cosplaying Comic-Con attendees. This book by one of Wired magazine's art directors traverses the graphic world through a collection of pie charts, bar graphs, timelines, scatter plots, and more. Super Graphic offers readers a unique look at the intricate and sometimes contradictory storylines that weave their way through comic books, and shares advice for navigating the pages of some of the most popular, longest-running, and best-loved comics and graphic novels out there. From a colorful breakdown of the DC Comics reader demographic to a witty Venn diagram of superhero comic tropes and a Chris Ware sadness scale, this book charts the most arbitrary and monumental characters, moments, and equipment of the wide world of comics. Plus, this is the fixed format version, which includes high-resolution images.

Meet Me in Atlantis Mark Adams 2015-03-10 The New York Times Bestselling Travel Memoir! The author of Turn Right at Machu Picchu travels the globe in search of the world's most famous lost city. "Adventurous, inquisitive and mirthful, Mark Adams gamely sifts through the eons of rumor, science, and lore to find a place that, in the end, seems startlingly real indeed."—Hampton Sides A few years ago, Mark Adams made a strange discovery: Far from alien conspiracy theories and other pop culture myths, everything we know about the legendary lost city of Atlantis comes from the work of one man, the Greek philosopher Plato. Stranger still: Adams learned there is an entire global sub-culture of amateur explorers who are still actively and obsessively searching for this sunken city, based entirely on Plato's detailed clues. What Adams didn't realize was that Atlantis is kind of like a virus—and he'd been exposed. In Meet Me in Atlantis, Adams racks up frequent-flier miles tracking down these Atlantis obsessives, trying to determine why they believe it's possible to find the world's most famous lost city—and whether any of their theories could prove or disprove its existence. The result is a classic quest that takes readers to fascinating locations to meet irresistible characters; and a deep, often humorous look at the human longing to rediscover a lost world.

El DORADO - Book 2 - Fabled Lost Treasure Ben Hammott 2017-03-10 One of the world's most legendary and elusive treasures, sought after for centuries. . . An ancient mystery.A Lost Treasure.A Hidden City.An impossible location.An unimaginable adventure. El Dorado Book 2 Continues from The Lost City Book 1, and will take you inside the Lost City to learn of its many secrets and dangers.After a perilous journey through the inhospitable Amazon Jungle, the expedition team stand at the entrance of a strange construction leading inside one of the seven surrounding pyramid shaped mountains Fawcett's journal has led them to. Where will it lead? Is it El Darodo? What secrets will they find within? They venture inside the mountain to find out. Not all will survive. What lies before them as an unimaginable adventure full of danger, sacrifice, nightmare creatures and an ancient treasure so vast it rivals the greatest treasures of the world so far discovered. Escape will be almost impossible. Waiting for them is something worshiped by the Aztec and Mayan tribes for hundreds of years, and it is alive! A thrilling story of adventure and discovery that weaves together an exciting blend of fact and fiction linked to the legends surrounding the lost 1925 Fawcett expedition and the mysterious Amazonian Jungle. Please use the 'Look Inside' feature to view the book contents and don't forget you can download a free sample of "The Lost City" to your Kindle Reviews "This is a terrific two book series set within the atmospherically described Amazon jungle. I could easily imagine myself tagging along with the adventurers." "If you like reading Clive Cussler, Matthew Reilly, James Rollins or Michael Crichton, you will enjoy this action adventure from Ben Hammott." " Has all the ingredients for an instant success: great plot, interesting characters, a large dose of mystery, impressive locations , unexpected twists and discoveries, deception and betrayal and even a touch of romance and a spattering of humor. This story will keep you entertained from beginning to end. Recommended for the permanent library of all action adventure readers." "The Mysterious and Dangerous Amazon Jungle, Subterranean Rooms, Tunnels, Pyramids, Ancient Aliens, Nazis, Traps, Thrilling Escapes, Chases, Strange Creatures, Dangerous Enemies, a Lost City and Great Characters, are just a few ingredients that make this exciting adventure thriller a must read for fans of this genre." (NY.Post.book.reviews)"From bestselling author Ben Hammott this action packed adventure takes you into the Amazon Jungle to follow in the footsteps of lost Victorian Explorer, Colonel Percy Fawcett. What we have here, in part, is an excellent dramatization of what may have happened to Fawcett and what he may have discovered in the unexplored regions of the Amazon. The well written plot is seldom predictable and some of the characters you think are safe, and will be alive by the time the book reaches its climax, are not. Sights and sounds of the Amazon are described well and help to set the atmospheric tone the explorers travel through. A thoroughly enjoyable adventure."
