Part of Your World Abby Jimenez 2022-04-19 A refreshingly modern fairy tale and instant New York Times bestseller that Love Hypothesis author Ali Hazelwood hails as "an uplifting, feel-good, romantic read." After a wild bet, gourmet grilled-cheese sandwich, and cuddle with a baby goat, Alexis Montgomery has had her world turned upside down. The cause: Daniel Grant, a ridiculously hot carpenter who's ten years younger than her and as casual as they come—the complete opposite of sophisticated city-girl Alexis. And yet their chemistry is undeniable. While her ultra-wealthy parents want her to carry on the family legacy of world-renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a "mere" ER doctor. And every minute she spends with Daniel and the tight-knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short-term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible, and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? "Abby Jimenez's words are like fairy dust... they sprinkled humor and warmth all over my life. Pick up Part of Your World if you're looking for an uplifting, feel-good, romantic read—and for a beautiful reminder that we should always try to live the life that makes us the happiest." --Ali Hazelwood, New York Times bestselling author of The Love Hypothesis

A Colossal Failure of Common Sense Lawrence G. McDonald 2010-10-12 One of the biggest questions of the financial crisis has not been answered until now: What happened at Lehman Brothers and why was it allowed to fail, with aftershocks that rocked the global economy? In this news-making, often astonishing book, a former Lehman Brothers Vice President gives us the straight answers—right from the belly of the beast. In A Colossal Failure of Common Sense, Larry McDonald, a Wall Street insider, reveals the culture and unspoken rules of the game like no book has ever done. The book is couched in the very human story of Larry McDonald's Horatio Alger-like rise from a Massachusetts "gateway to nowhere" housing project to the New York headquarters of Lehman Brothers, home of one of the world's toughest trading floors. We get a close-up view of the participants in the Lehman collapse, especially those who saw it coming with a helpless, angry certainty. We meet the Brahmins at the top, whose reckless, pedal-to-the-floor addiction to growth finally demolished the nation's oldest investment bank. The Wall Street we encounter here is a ruthless place, where brilliance, arrogance, ambition, greed, capacity for relentless toil, and other human traits combine in a potent mix that sometimes fuels prosperity but occasionally destroys it. The full significance of the dissolution of Lehman Brothers remains to be measured. But this much is certain: it was a devastating blow to America's—and the world's—financial system. And it need not have happened. This is the story of why it did.

Blind Passenger Melissa Tate 2015-10-09 We've all been there. EVERYONE knows someone who has had their share of binge drinking, mood swings, or addiction that has stretched a relationship to its limits. Dr. Melissa Tate is a popular psychology consultant and licensed professional counselor who takes you on a personal journey of self-disclosure and transparency. Often described as an easy going, juggling-it-all, classy and professional single mom, you would be remiss to assume she has always had it all. Vicariously stuck on the emotional roller coaster of her loved ones' mental instability and self-medicating, addictive behaviors, she has had to literally and figuratively pick herself up from some raw and shocking situations. Through two failed marriages and a shattered sibling bond, she gives you a front row seat to her internal struggle as a blind passenger. A memoir-esque snapshot of these three relationships is used as a platform for broader, often under-discussed, therapeutic conversations about domestic violence and addiction in the family system. And she gets it. She knows how you feel and where you've been—not merely because she has read about it or counseled people through it—because she has lived it. In being transparent about her intimate experiences with broken relationships, Dr. Tate is able to provide a personal and professional insight for regaining your peace of

mind amidst a wild ride.

Free Roll Brandt Tobler 2017-05-22 Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in

Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more. Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years.
