Lose the love of a lifetime.As a struggling, 21st century farmer, Kenzie MacMartin knows if she doesn't recover that registered ram that cost her a bundle, her dog won't be the only one howling in the Highlands. And to make matters worse, when she chases that fool sheep through a cave, she discovers a troupe of trespassing re-enactors mucking up her land with some kind of clan skirmish complete with realistic weapons, monstrous warhorses, and a restless herd of Highland cows. But vengeful clans, a medieval sociopath, and the mesmerizing warrior who draws her in like a bee to sweet clover

thwarts that priority at every turn. Her head knows better. Her heart refuses to listen. She misses her family, is worried about her farm, and would kill for coffee and a toothbrush. But those aren't the worst things about traveling back several centuries. The worst thing is loving a man who, once she returns to her time, will have been dead for over eight hundred years.

Lectures to My Students Charles H. Spurgeon 2010-05-18 One contemporary scholar and authority on Spurgeon says of this work: "Next to Mr. Spurgeon's great literary work, *The Treasury of David*, we consider (these) *Lectures to My Students* his greatest single contribution to the Christian world. There is more practical wisdom, common sense and sage advice packed within these pages than with any other book of similar size, or content." This complete and unabridged edition of Spurgeon's great work will make it possible for today's generation to appreciate Spurgeon's combination of discerning wit and refreshingly practical advice. Included in the twenty-eight chapters of this classic volume are lectures such as: - *The Call to Ministry* - *The Preacher's Private Prayer* - *On the Choice of a Text* - *On the Voice* - *The Holy Spirit in Connection with Our Ministry* - *The Blind Eye and the Deaf Ear* - *On Conversion as Our Aim* - *Illustrations in Preaching* As were all of Spurgeon's messages to his people, each of these lectures is Scripture-saturated and Christ-honoring. They move swiftly and are fascinating in their content and sage counsel.

A River Runs Through It and Other Stories, Twenty-fifth Anniversary Edition Norman Maclean 2009-08-14 Just as Norman Maclean writes at the end of "A River Runs through It" that he is "haunted by waters," so have readers been haunted by his novella. A retired English professor who began writing fiction at the age of 70, Maclean produced what is now recognized as one of the classic American stories of the twentieth century. Originally published in 1976, A River Runs through It and Other Stories now celebrates its twenty-fifth anniversary, marked by this new edition that includes a foreword by Annie Proulx. Maclean grew up in the western Rocky Mountains in the first decades of the twentieth century. As a young man he worked many summers in logging camps and for the United States Forest Service. The two novellas and short story in this collection are based on his own experiences—the experiences of a young man who found that life was only a step from art in its structures and beauty. The beauty he found was in reality, and so he leaves a careful record of what it was like to work in the woods when it was still a world of horse and hand and foot, without power saws, "cats," or four-wheel drives. Populated with drunks, loggers, card sharks, and whores, and set in the small towns and surrounding trout streams and mountains of western Montana, the stories concern themselves with the complexities of fly fishing, logging, fighting forest fires, playing cribbage, and being a husband, a son, and a father. By turns raunchy, poignant, caustic, and elegiac, these are superb tales which express, in Maclean's own words, "a little of the love I have for the earth as it goes by." A first offering from a 70-year-old writer, the basis of a top-grossing movie, and the first original fiction published by the University of Chicago Press, A River Runs through It and Other Stories has sold more than a million copies. As Proulx writes in her foreword to this new edition, "In 1990 Norman Maclean died in body, but for hundreds of thousands of readers he will live as long as fish swim and books are made."
