Silas Marner Illustrated George Eliot 2021-02-09 Silas Marner is the third novel by George Eliot, published in 1861. An outwardly simple tale of a linen weaver, it is notable for its strong realism and its sophisticated treatment of a variety of issues ranging from religion to industrialisation to community.

The Oxford English Literary History: Volume 12: The Last of England? Randall Stevenson 2005-11-10 English Literature in the 1960s soon threw off its post-war weariness and the tepid influences of the previous decade. New voices, new visions, and new commitments profoundly reshaped writing during the 60s, and throughout the rest of the century. Drama thrived on its rapidly rebuilt foundations. New freedoms of style and form revitalised fiction. Poetry, too, gradually recovered the variety and inventiveness of earlier years. As well as comprehensively charting these changes in the literary field, Randall Stevenson persuasively pinpoints their origins in the historical, social, and intellectual pressures of the times. Literary developments are revealingly

related to the wider evolution and profound changes in English experience in the late twentieth-century to shadows of war and loss of empire; declining influences of class; shifting relations between the genders; emergent minority and counter-cultures; and the broadening democratization of contemporary life in general. Analyses of the rise of literary theory, of publishing and the book trade, and of the pervasive influences of modernism and postmodernism contribute further to an impressively thorough, insightful description of writing in the later twentieth-century a literary period Stevenson shows to be far more imaginative and exciting than has yet been recognised. Lucid, accessible, and engaging, this volume of the Oxford English Literary History presents a unique illumination of its age - one we have lived through, but are only just beginning to understand. The first full account of its period, it will set the agenda for discussion of late twentieth-century literature for many years to come.

Teaching English Language Learners K-12 Jerry Jesness 2014-11-18 Bring the English language to life with this valuable new resource! Some say that learning a second language is like drinking water from a fire hose. But teaching it does not have to be like standing under Niagara Falls. This is the fundamental message of Jerry Jesness' new quick-start guide Teaching English Language Learners K-12. In our climate, ELL teachers face immense demands as educators because the ELL class is often the critical, transitional step into a student's entire education. The author provides specific strategies to address the special challenges for instructors. This valuable resource offers a terrific framework to nurture that motivating spark in English Language learners. For ELL educators, it's more than a job—it's a mission! Teaching English Language Learners K-12 includes:

- Customizing instructions to create developmentally and culturally appropriate lessons for all learners
- Comprehensive vocabulary checklists for common English words and concepts
- Practical methods for using the learner's native language and culture in the classroom
- Helpful strategies for teaching spoken English, reading, and writing
- Encouraging tips to become a better ELL teacher

This book delivers a concise array of teaching strategies, curriculum, and things ESL teachers need to know to become most confident in their work and most effective with their students.

Football and Real Ale Guide Division One Richard Stedman 2006-07 Includes a description of each pub, a location map, and a list of beers found along with the date of the author's visit. This guide also contains colour photographs, contact details, articles related to real ale and football and comments from the regulars of the pub, and a cultural guide to each town.

William Wordsworth's Golden Age Theories During the Industrial Revolution M. Keay

2001-09-26 Wordsworth's romantic critique of industrial life and society was backward-looking. His 'Golden Age ideal' of pastoral life and rural relationships falls within the scope of English 'populism' as found among the middle ranks of small independent producers and their ideologues. Furthermore his rural education and up-bringing in the remote North of England explain his long-term shift from radical and whig reformer to tory placeman in the years 1789 to 1832 as well as his relative demise as a poet.

The SAGE Guide to Educational Leadership and Management Fenwick W. English

2015-01-29 The SAGE Guide to Educational Leadership and Management allows readers to gain knowledge of educational management in practice while providing insights into challenges facing educational leaders and the strategies, skills, and techniques needed to enhance administrative performance. This guide emphasizes the important skills that effective leaders must develop and refine, including communication, developing teams, coaching and motivating, and managing time and priorities. While being brief, simply written, and a highly practical overview for individuals who are new to this field, this reference guide will combine practice and research, indicate current issues and directions, and choices that need to be made.

Features & Benefits: 30 brief, signed chapters are organized in 10 thematic parts in one volume available in a choice of electronic or print formats designed to enable quick access to basic information. Selective boxes enrich and support the narrative chapters with case examples of effective leadership in action. Chapters conclude with bibliographic endnotes and references to further readings to guide students to more in-depth presentations in other published sources. Back matter includes an annotated listing of organizations, associations, and journals focused on educational leadership and administration and a detailed index. This reference guide will serve as a vital source of knowledge to any students pursuing an education degree as well as for individuals interested in the subject matter that do not have a strong foundation of the

topic.
