Hunan Mr Peng 2014-05-05 Founded in 1982 by Mr Peng, Hunan is a legendary London restaurant which attracts customers from all over the world. At Hunan, diners don't choose – they simply say what they don't eat and how spicy they like their food. Mr Peng then does the rest, serving up small portions with the emphasis on sharing many courses. The orders are hand-written and are sent down to the kitchen by a chute and the food travels up in a dumb waiter. Mr Peng is a firm believer in simplicity. Hunan is a landmark book that captures the essence of a unique menu from a unique character. Among the 70 must-have recipes are Mr Peng's 'absurdly delicious' prawn dumplings, lettuce wraps filled with diced chicken, 'which you just pop into your mouth and scrunch' and mouth-melting double-cooked pork. As Mr Peng says: 'I often say to people I've only just met: I'm a very strange person. And then I have to explain: food is my life. Despite being close to 70 I'm still in the kitchen at Hunan, on the floor almost every day doing prep, working the wok and talking to guests, most of whom have been regulars for years. The food is the only thing which has changed, and which changes almost daily. It is really about bringing out the most in the ingredients. Subtle blends of chilli and Sichuan peppercorns push enormous pearly scallops to the edge while the gentle salty miso cuts through the tenderest slivers of corn-fed chicken. It

is possible because the ingredients I use are fresh and of faultless quality.

My Shanghai Betty Liu 2021-03-11 One of the Best Cookbooks of 2021 by the New York Times

Experience the sublime beauty and flavor of one of the oldest and most delicious cuisines on earth: the food of Shanghai, China's most exciting city, in this evocative, colorful gastronomic tour that features 100 recipes, stories, and more than 150 spectacular color photographs. Filled with galleries, museums, and gleaming skyscrapers, Shanghai is a modern metropolis and the world's largest city proper, the home to twenty-four million inhabitants and host to eight million visitors a year. "China's crown jewel" (Vogue), Shanghai is an up-and-coming food destination, filled with restaurants that specialize in international cuisines, fusion dishes, and chefs on the verge of the next big thing. It is also home to some of the oldest and most flavorful cooking on the planet. Betty Liu, whose family has deep roots in Shanghai and grew up eating homestyle Shanghainese food, provides an enchanting and intimate look at this city and its abundant cuisine. In this sumptuous book, part cookbook, part travelogue, part cultural study, she cuts to the heart of what makes Chinese food Chinese—the people, their stories, and their family traditions. Organized by season, My Shanghai takes us through a year in the Shanghai culinary calendar, with flavorful recipes that go beyond the standard, well-known fare, and stories that illuminate diverse communities and their food rituals. Chinese food is rarely associated with seasonality. Yet as Liu reveals, the way the Shanghainese interact with the seasons is the essence of their cooking: what is on a dinner table is dictated by what is available in the surrounding waters and fields. Live seafood, fresh meat, and ripe vegetables and fruits are used in harmony with spices to create a variety of refined dishes all through the year. My Shanghai allows everyone to enjoy the homestyle food Chinese people have eaten for centuries, in the context of how we cook today. Liu demystifies Chinese cuisine for home cooks, providing recipes for family favorites that have been passed down through generations as well as authentic street food: her mother's lion's head meatballs, mung bean soup, and weekday stir-fries; her father-in-law's pride and joy, the Nanjing salted duck; the classic red-braised pork belly (as well as a riff

to turn them into gua bao!); and core basics like high stock, wontons, and fried rice. In My Shanghai, there is something for everyone—beloved noodle and dumpling dishes, as well as surprisingly light fare. Though they harken back centuries, the dishes in this outstanding book are thoroughly modern—fresh and vibrant, sophisticated yet understated, and all bursting with complex flavors that will please even the most discriminating or adventurous palate.

When Grace Young was a child, her father instilled in her a lasting appreciation of wok hay, the highly prized but elusive taste that food achieves when properly stir-fried in a wok.
