Therapists are invited to use the recovery program presented as an effective treatment regimen for sex addicts. Internet pornography addicts men and women who have a weakness for sexual stimulation. One estimate is that as much as half of the male population and a third of the female population are addicted to pornography. The need for a relevant clinical tool is real. As such, the book contains thirty-six therapeutic exercises to help sexually addicted men and women, in conjunction with sex addiction therapy, to achieve long-term sexual sobriety.

*Out of the Shadows* Timea Nagy 2019 "A stunning, unforgettable story of an ordinary woman in extraordinary circumstances who defies the odds. Timea Nagy was twenty years old when she answered a newspaper ad in Budapest, Hungary, calling for young women to work as housekeepers and babysitters in Canada. Interviewed and hired by what seemed like a bona fide recruitment agency, Timea left her home on the promise she would earn good money to send home to her family. She had no idea that she'd been lured by a ring of international human traffickers. Upon her arrival in Toronto, she was forced into sex labour in some of the city's seediest nightclubs and kept by her "agents" for three months until she escaped. This is her captivating, heartbreaking but ultimately redemptive story. It will take readers from the early years of Timea's life in Communist Hungary, offering a look inside an austere but complicated world ruled by community, restriction and struggle; then, to the dark, abusive three months working as a sex slave in a country that Timea once believed would offer her freedom and opportunity; and, finally, in riveting detail, through the heart-pounding escape Timea plots. Compelling and sweeping, balancing a tragic and unbelievable experience with a powerful story of grace, Timea Nagy's journey is one that will stay with you long after you read the last page."--

*Life in the Shadows* Nancy Legere 2019-04-12 Childhood is supposed to be a time of innocence, discovery, making friends, learning, and enjoying simple, uncomplicated days filled with laughter and fun. But what happens if those idealistic hopes and dreams are squashed in an instant when that little girl is sexually abused? What then? *Life in the Shadows* is the true story of how one such little girl lived with crippling feelings of shame and an overwhelming need for secrecy. What followed was a life struggling to cope with severe symptoms of Post-traumatic stress disorder, turning to alcohol for relief and escape, leading to sleep deprivation and almost absolute isolation. Nancy Legere openly shares how she managed to climb up out of the seemingly never ending darkness that enveloped her life after she was raped at the tender age of seven, and the years that ensued with her falling deeper and deeper into the abyss of anger and fear caused by feelings of self-loathing. Feelings of being unworthy of love and incapable of showing any emotion caused Nancy's life to spiral out of control to the point of contemplating suicide to end her struggles with life as she knew it. "Nancy brings her courage and 'tell it like it is' persona to this story of her journey out of the hell that is childhood sexual abuse, to the healing path she is now walking. She shares openly and honestly about the toll the abuse

took on her physically, emotionally, and spiritually, and how she eventually took back her life and her power. It is a triumphant, hard-hitting, sometimes challenging read that leaves us hopeful about finding our way out of the shadows." Dawn McKelvie Cyr, MA
