Istanbul Rebecca Seal 2013-07-08 Walk the streets of Istanbul and you'll see a city of wonderful contradictions: step out of a stylish modern bar and you're likely to turn a corner and find lamb kebabs roasting over coals on a tiny food cart, in the shadow of towering minarets. This fascinating place, where East meets West and Europe borders Asia, inspired Rebecca Seal and Steven Joyce to create Istanbul, a food tour of the city. From simple meze dishes to fragrant Ottoman-era stews, this book is full of delicious recipes - try roasted aubergines stuffed with spiced lamb, crunchy fennel salad with radishes and sumac, or chicken with almonds and apricots, and be transported to the kitchens of Istanbul. Set against the backdrop of Steven Joyce's stunning food and travel photography, Istanbul is a colourful and exciting gastronomical jaunt around one of the world's most fascinating cities.

Bitter Music Harry Partch 2000 Now in paper for the first time, Bitter Music is a generous volume of writings by one of the twentieth century's great musical iconoclasts. Rejecting the equal temperament and concert traditions that have dominated western music, Harry Partch adopted the pure intervals of just intonation and devised a 43-tone-to-the-octave scale, which in turn forced him into inventing numerous musical instruments. His compositions realize his ideal of a corporeal music that unites music, dance, and theater. Winner of the ASCAP-Deems Taylor Award, Bitter Music includes two journals kept by Partch, one while wandering the West Coast during the Depression and the other while hiking the rugged northern California coastline. It also includes essays and discussions by Partch of his own compositions, as well as librettos and scenarios for six major narrative/dramatic compositions.

The Passion of Artemisia Susan Vreeland 2002-12-31 "Susan Vreeland set a high standard

with *Girl in Hyacinth Blue*.... *The Passion of Artemisia* is even better.... Vreeland's unsentimental prose turns the factual Artemisia into a fictional heroine you won't soon forget." —People A true-to-life novel of one of the few female post-Renaissance painters to achieve fame during her own era against great struggle. Artemisia Gentileschi led a remarkably "modern" life. Vreeland tells Artemisia's captivating story, beginning with her public humiliation in a rape trial at the age of eighteen, and continuing through her father's betrayal, her marriage of convenience, motherhood, and growing fame as an artist. Set against the glorious backdrops of Rome, Florence, Genoa, and Naples, inhabited by historical characters such as Galileo and Cosimo de' Medici II, and filled with rich details about life as a seventeenth-century painter, Vreeland creates an inspiring story about one woman's lifelong struggle to reconcile career and family, passion and genius.

The Fault Line Paolo Rumiz 2015-03-03 An award-winning writer travels the eastern front of Europe, where the push/pull between old empires and new possibilities has never been more evident. Paolo Rumiz traces the path that has twice cut Europe in two—first by the Iron Curtain and then by the artificial scaffolding of the EU—moving through vibrant cities and abandoned villages, some places still gloomy under the ghost of these imposing borders, some that have sought to erase all memory of it and jump with both feet into the West (if only the West would have them). In *The Fault Line*, he is a sublime and lively guide through these unfamiliar landscapes, piecing together an atlas that has been erased by modern states, delighting in the discovery of communities that were once engulfed by geopolitics then all but forgotten, until now. The farther south he goes, the more he feels he is traveling not along some abandoned Eastern frontier, but right in the middle of things: Mitteleuropa wasn't to be found in Viennese cafés but much farther east, beyond even Budapest and Warsaw. As in Ukraine, these remain places in flux, where the political and cultural values of the East and West have stared each other down for centuries. Rumiz gives a human face not just to what the Cold War left behind but to the ancient ties of empire and ethnicity that are still at the root of modern politics in flash-point areas such as this.

La voce delle cose perdute Sophie Chen Keller 2018-03-29T00:00:00+02:00 La storia di un bambino e del libro che gli fece ritrovare la felicità «Lo stile è semplice ma meraviglioso, come si evince dai lampi di sottile umorismo diffusi nel romanzo. » Kirkus Reviews «Un libro di rara eleganza.» Newark Star-Ledger «Incantevole... Un viaggio delizioso in una New York che ancora non conoscete. » Minneapolis Star Tribune Una sera d'inverno, una vecchia mendicante gira per le strade di New York in cerca di un riparo, quando una donna apre la porta della sua pasticceria e la invita a passare lì la notte. La mattina dopo, la mendicante è scomparsa, lasciando in dono un libro illustrato. In breve tempo, la pasticceria diventa la più frequentata della città, perché da quel giorno i dolci non sono solo deliziosi: i biscotti curano i reumatismi, le gallette migliorano l'umore e la torta paradiso fa dimagrire... finché, un giorno, il libro sparisce. Walter odia le parole. Soffre di un disturbo che gli impedisce di articolare bene i suoni e, un giorno, stanco delle prese in giro dei coetanei, ha smesso di provarci. Ha deciso di chiudere la bocca e aprire gli occhi. Adesso, a dodici anni, Walter osserva e nota cose che sfuggono alla maggior parte delle persone, distratte da chiacchiere inutili. Ed è diventato bravissimo a ritrovare le cose perdute. Ecco perché, quando il libro della madre scompare, lui si lancia nella ricerca con l'aiuto del suo unico amico, Milton, un Labrador grassoccio e intraprendente. Insieme, Walter e Milton si avventurano negli angoli dimenticati di New York, incontrando persone che per gli altri sono invisibili: dalla donna che tutte le mattine raccoglie le lattine per strada a una coppia delusa dal mondo, che si è ritirata in un

stazione abbandonata della metropolitana. Grazie alle loro storie, Walter scoprirà generosità e speranza, solitudine e rimpianti, ma soprattutto capirà che la vita è un dono troppo prezioso per guardarla scorrere. E così riuscirà non solo a trovare le magiche pagine del libro perduto, ma pure la forza di aprirsi agli altri e di dare voce ai suoi sogni. È capitato a tutti noi di avere l'impressione di aver perso qualcosa, di sentirci soli e incompresi. Questo romanzo ci ricorda che, nonostante tutto, c'è tanta speranza nel mondo. E che basta avere il coraggio di guardarsi intorno con occhi nuovi e ascoltare il nostro cuore per ritrovare ciò che abbiamo smarrito.

That Kind of Mother Rumaan Alam 2018-05-08 NAMED A RECOMMENDED BOOK OF 2018 BY: BuzzFeed • The Boston Globe • The Millions • InStyle • Southern Living • Vogue • Popsugar • Kirkus • The Washington Post • Library Journal • Real Simple • NPR “With his unerring eye for nuance and unsparing sense of irony, Rumaan Alam’s second novel is both heartfelt and thought-provoking.” — Celeste Ng, author of *Little Fires Everywhere* From the bestselling author of *Leave the World Behind*, a novel about the families we fight to build and those we fight to keep Like many first-time mothers, Rebecca Stone finds herself both deeply in love with her newborn son and deeply overwhelmed. Struggling to juggle the demands of motherhood with her own aspirations and feeling utterly alone in the process, she reaches out to the only person at the hospital who offers her any real help—Priscilla Johnson—and begs her to come home with them as her son’s nanny. Priscilla’s presence quickly does as much to shake up Rebecca’s perception of the world as it does to stabilize her life. Rebecca is white, and Priscilla is black, and through their relationship, Rebecca finds herself confronting, for the first time, the blind spots of her own privilege. She feels profoundly connected to the woman who essentially taught her what it means to be a mother. When Priscilla dies unexpectedly in childbirth, Rebecca steps forward to adopt the baby. But she is unprepared for what it means to be a white mother with a black son. As she soon learns, navigating motherhood for her is a matter of learning how to raise two children whom she loves with equal ferocity, but whom the world is determined to treat differently. Written with the warmth and psychological acuity that defined his debut, Rumaan Alam has crafted a remarkable novel about the lives we choose, and the lives that are chosen for us.

I pani dimenticati Rita Monastero 2022-02-18T00:00:00+01:00 Si parte dal Friuli Venezia Giulia, regione che al pane dedica l'omonimo museo, e si prosegue toccando tutte le regioni, da nord a sud, per un viaggio alla ricerca dei pani che in pochi ricordano e continuano a fare in casa. Un ricettario unico nel suo genere, che racconta piccole grandi storie e svela i segreti celati in tante tipicità italiane. Ricette tradizionali, in alcuni casi con varianti per rendere il prodotto più affine ai gusti moderni, anche sostituendo ingredienti che oggi non si trovano facilmente, o non in tutta Italia. 100 ricette, tutte fotografate, raccontano altrettanti pani dimenticati. Non solo quelli classici a base di acqua e farina, ma anche quelli farciti, dolci, e ancora grissini, pizze, focacce, torte dalla consistenza ruvida e dal sapore rustico. Dagli ungaracci di Cantiano al pane grispolenta, dalle cuddhure dolci e salate alla casata Pontecorvo, dalla focaccia di Voltri alla 'nfigghiulata: chiunque potrà ritrovare e riscoprire i sapori della propria terra, che racchiudono una storia antica come il pane.

Science in the Kitchen and the Art of Eating Well Pellegrino Artusi 2003-12-27 First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

The Flavor Thesaurus Niki Segnit 2012-04-24 A career flavor scientist who has worked with such companies as Lindt, Coca-Cola and Cadbury organizes food flavors into 160 basic ingredients, explaining how to combine flavors for countless results, in a reference that also shares practical tips and whimsical observations.

Vegolosi MAG #20 Vegolosi 2022-01-28 *Vegolosi MAG* è il mensile digitale per chi vuole imparare a cucinare 100% vegetale senza nessuna rinuncia e in modo facile grazie alle ricette della chef Sonia Maccagnola; un giornale per chi vuole informarsi sul mondo che cambia con inchieste, interviste e approfondimenti realizzati dalla nostra redazione con esperienza decennale su questi temi. Il mensile ti propone solo contenuti esclusivi che non vengono pubblicati online. Nel numero di febbraio trovi: RICETTE: 20 idee facili, originali e inedite (non le troverai mai online su Vegolosi.it) create dalla nostra chef Sonia Maccagnola.

CHEEK TO CHEEK: la rubrica in cui chef Sonia racconta segreti e trucchi per cucinare meglio. Questo mese parliamo di come realizzare piatti cremosi ma senza proteine animali: risultato assicurato! INTERVISTE – Henk Wildschut è un fotografo olandese. Suo il progetto “Food” che mostra in una serie di scatti molto interessanti il mondo del cibo industriale. Vere “cliniche” degli alimenti, queste aziende mostrano che cosa si cela dietro il cibo del nostro secolo con buona pace dell'idillio campestre promosso dal marketing. SCIENZA – Quante etichette leggete al supermercato che recitano la sigla “senza”? Tante vero? Ne abbiamo parlato con la dottoressa Denise Filippin: con lei abbiamo sfatato 10 miti imposti dal marketing e dai social network. CULTURA – E se leggere letteratura per l'infanzia fosse la strada per trovare qualcosa che abbiamo sempre cercato? La scrittrice Ruth Randell ci accompagna alla scoperta di un tabù che va superato per arricchire la nostra mente e il nostro cuore. Vi consigliamo, poi, sei libri per ragazzi, uno per ogni momento della vita. ATTUALITÀ – Alla felicità è stata dedicato dedicato un centro di ricerche: eppure i suoi confini sembrano così labili. Fra dati, geopolitica, psichiatria e filosofia, ecco un viaggio alla scoperta della domanda più difficile: “Che cos'è la felicità?”. LIBRI: L'oceano ci affascina, il mare è sempre stato fonte di ispirazione, lavoro e poesia per l'uomo. Ma se dal mare arrivasse la più grande minaccia alla nostra vita? Nel suo thriller “Il quinto giorno”, Frank Schätzing – da cui verrà a breve tratta una serie girata prevalentemente in Italia – ci mostra cosa significa ignorare e distruggere quello che non conosciamo. PERCORSI: Film e libri possono trasformarsi in una vera terapia per la nostra mente, le nostre paure e le nostre ansie? Forse sì, basta solo sapere dove andare a cercare. SCENARI: Il silenzio come filo conduttore: da quello di chi in Italia ha scelto la strada dell'eremita, al silenzio come modalità di meditazione e riscoperta dei proprio spazi (a volte dimenticati). Shhhhh....

Message in a Bottle Nicholas Sparks 1998-04-01 In this New York Times bestseller, a single mother sets out to find the North Carolina man who sent a message meant for someone else . . . and the journey may change her life forever. Divorced and disillusioned about relationships, Theresa Osborne is jogging when she finds a bottle on the beach. Inside is a letter of love and longing to "Catherine," signed simply "Garrett." Challenged by the mystery and pulled by emotions she doesn't fully understand, Theresa begins a search for this man that will change her life. What happens to her is unexpected, perhaps miraculous-an encounter that embraces all our hopes for finding someone special, for having a love that is timeless and everlasting.... Nicholas Sparks exquisitely chronicles the human heart. In his first bestselling novel, *The Notebook*, he created a testament to romantic love that touched readers around the world. Now in this New York Times bestseller, he renews our faith in destiny, in the ability of lovers to find each other no matter where, no matter when...

Ocean Sea Alessandro Baricco 2013-03-07 A handful of disparate lives converge at a remote seaside inn: a lovelorn professor, a renowned painter, an inscrutable seductress - and a beautiful young girl, fatally ill, brought to the sea by a desperate father's last hope. An intricate web of destinies and associations begins to reveal itself, but it is not until the arrival of a mysterious sailor called Adams that the truth in all its dreamlike beauty and cruelty becomes clear. Adams may furnish the key to the girl's salvation, but only the fulfilment of his obsessive secret purpose - to answer murder with murder - can conclude the journey that has brought him from the ends of the earth. Alternately playful and profoundly serious, Baricco's novel surges with the hypnotic power of the ocean sea.

The Best of Me (Movie Tie-In Enhanced Ebook) Nicholas Sparks 2015-01-20 WITH FEATURETTES FROM NICHOLAS SPARKS AND THE MOVIE CAST, DELETED SCENES, MUSIC VIDEO, AND MORE! IN THEATERS OCTOBER 17, 2014! Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberator "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
