Our book servers hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the In The Days Of Queen Victoria is universally compatible with any devices to read

In the Days of Queen Victoria Eva March Tappan 2020-02-03 To her own people Queen Victoria was England itself, the emblem of the realm and of the empire. To millions who were not her people the words "the Queen" do not bring even yet the thought of the well-beloved woman who now shares the English throne, but rather of her who for nearly sixty-four years wore the crown of Great Britain and gave freely to her country of the gift that was in her. Other women have been controlled by devotion to duty, other women have been moved to action by readiness of sympathy, but few have united so harmoniously a strong determination to do the right with a never-failing gentleness, a childlike sympathy with unyielding strength of purpose. Happy is the realm that can count on the list of its sovereigns one whose career was so strongly marked by unflinching faithfulness, by honesty of aim, and by statesmanlike wisdom of action.

The Early Days of Queen Victoria: with Royal Anecdotes, Etc. [With Portraits.]. Charles BULLOCK (B.D.) 1897

In the Days of Queen Victoria - Primary Source Edition Eva March Tappan 2014-03-13 This is a reproduction of a book published before 1923. In the Days of Queen Victoria Eva March Tappan 2015-10-11 ÊIt made little difference to either the Duke or the baby how the Prince Regent might feel about her name, for the Duke was the happiest of fathers, and the little Drina, as the Princess was called, was a merry, sweet-tempered baby. Everyone at Kensington loved her, and over the sea was a grandmother, the Dowager Duchess of Coburg, who could hardly wait for the day to come when she would be able to see the child. "How pretty the little Mayflower will be," she wrote, "when I see it in a year's time." Another letter said: "The English like queens, and the niece of the beloved Princess Charlotte will be most dear to them." Princess Charlotte was the only child of Prince George, and the nation had loved her and longed to have her for their queen. She had married Leopold, the brother of the Duchess of Kent, and had died only two years before "Princess Drina" was born. The succession to the English crown was in a peculiar condition. The king, George III., had become insane, and his eldest son, George, was ruling as Prince Regent. If the Regent lived longer than his father, he would become George IV. His next younger brother was Frederick, Duke of York; then came William, Duke of Clarence; and then the Duke of Kent. George and Frederick had no children, and William's baby girl died on the very day that the Princess Alexandrina was born. If these three brothers died without children, the Duke of Kent would become king; but even then, if the Duke should have a son, the

law was that he, rather than the daughter, should inherit the crown. The baby Princess, then, stood fifth in the succession to the throne, and a child born to any one of these three uncles, or a son born to her father, would remove her still further from sovereignty. The English people had talked of all these possibilities. The Duke of Kent had also several younger brothers, but they were all middle-aged men, the youngest forty-five, and not one of them had a child. If all the children of George III. died without heirs, the English crown would descend to a line of Germans who had never walked on English soil. "We have had one king who could not speak English," said the people, "and we do not want another." The Duke of Kent was a general favorite among them, and they hoped that he, and after him his daughter, would become their ruler. Indeed, they hoped for this so strongly that they began to feel sure that it would come to pass. Everyone wanted to see the little Princess. Many a person lingered under the palace windows for hours, and went away feeling well repaid for the delay if he had caught a glimpse of the royal baby in her nurse's arms.

Queen Victoria Hourly History 2016-09-19 The Queen of Great Britain and Ireland for 63 years, the mother of nine children and grandmother to 42, Queen Victoria's life was one of magnificent proportions. Victoria's childhood was difficult and lonely but from the time she took the throne aged just eighteen she blossomed into a powerful woman, both frivolous and formidable. Inside you will read about... ? An Unsentimental Marriage ? Race to Produce an Heir ? Finally an Adult and Finally a Queen ? V&A ? Die Shattenseite ? The Hungry Forties and Albert's Great Exhibition ? The Widow at Windsor And much more! In her later years, Victoria struggled to find balance between her wish to live a very private life as a widow and her duty to live the very public life of a Queen and later Empress. The world Victoria was born into was a very different world to that which she left behind and her life story is an incredible journey from infant heir to matriarchal Queen and Empress.

The Early Days of Queen Victoria Charles Bullock 1886

Queen Victoria Lucy Worsley 2018-09-06 'A wonderfully fresh, vivid and engaging portrait.' Jane Ridley, author of Bertie: A Life of Edward VII 'Has much of the abundant charm of its author.' Spectator 'The glory of this book is in the details.' The Times 'Worsley's command of the material and elegant writing style make this a must-read.' Publisher's Weekly 'An intimate glimpse.' Daily Mail 'An engaging portrait of the monarch.' i paper 'Provides a unique insight into this inscrutable monarch.' Choice Magazine 'In this lively, light-footed biography, just out in paperback, the popular TV historian Lucy Worsley looks at just 24 days of Victoria's 81-year long life to reveal unexpected sides to the monarch.' BBC History Magazine ***** Who was Queen Victoria? A little old lady, potato-like in appearance, dressed in everlasting black? She was also a passionate young princess who loved dancing. And there is also a third Victoria, the brilliant queen, one who invented a new role for the monarchy. Victoria found a way of ruling when people were deeply uncomfortable with having a woman on the throne. Her image as a conventional daughter, wife and widow concealed the reality of a talented, instinctive politician. Her actions, if not her words, reveal that she was tearing up the rules on how to be female. But the price of this was deep personal pain. By looking in detail at twenty-four days of her life, through diaries, letters and more, we meet Queen Victoria up-close and personal. Living with her from hour to hour, we can see and celebrate the contradictions that make up British history's most recognisable woman.

In the Days of Queen Victoria Eva March Tappan 1903

Queen Victoria's Grandchildren Lance Salway 1991

Queen Victoria at Home Michael De-la-Noy 2005-01-02 An enlightening new perspective on the life of Queen Victoria focuses more on her family life than her reign as Queen, portraying her as a mother and wife, with inherent attention paid to the running of her household, emphasizing her desire for privacy rather than public reverence. Reprint.

Queen Victoria: Twenty-Four Days That Changed Her Life Lucy Worsley 2019-01-08 The story of the queen who defied convention and defined an era A passionate princess, an astute and clever queen, and a cunning widow, Victoria played many roles throughout her life. In Queen Victoria: Twenty-Four Days That Changed Her Life, Lucy Worsley introduces her as a woman leading a truly extraordinary life in a unique time period. Queen Victoria simultaneously managed to define a socially conservative vision of Victorian womanhood, while also defying its conventions. Beneath her exterior image of traditional daughter, wife, and widow, she was a strong-willed and masterful politician. Drawing from the vast collection of Victoria's correspondence and the rich

documentation of her life, Worsley recreates twenty-four of the most important days in Victoria's life. Each day gives a glimpse into the identity of this powerful, difficult queen and the contradictions that defined her. Queen Victoria is an intimate introduction to one of Britain's most iconic rulers as a wife and widow, mother and matriarch, and above all, a woman of her time.

Queen Victoria George Alfred Henty 1901

Queen Victoria's Book of Spells Ellen Datlow 2013-03-19 "Gaslamp Fantasy," or historical fantasy set in a magical version of the nineteenth century, has long been popular with readers and writers alike. A number of wonderful fantasy novels owe their inspiration to works by nineteenth-century writers ranging from Jane Austen, the Brontës, and George Meredith to Charles Dickens, Anthony Trollope, and William Morris. And, of course, the entire steampunk genre and subculture owes more than a little to literature inspired by this period. Queen Victoria's Book of Spells is an anthology for everyone who loves these works of neo-Victorian fiction, and wishes to explore the wide variety of ways that modern fantasists are using nineteenth-century settings, characters, and themes. These approaches stretch from steampunk fiction to the Austen-and-Trollope inspired works that some critics call Fantasy of Manners, all of which fit under the larger umbrella of Gaslamp Fantasy. The result is eighteen stories by experts from the fantasy, horror, mainstream, and young adult fields, including both bestselling writers and exciting new talents such as Elizabeth Bear, James Blaylock, Jeffrey Ford, Ellen Kushner, Tanith Lee, Gregory Maguire, Delia Sherman, and Catherynne M. Valente, who present a bewitching vision of a nineteenth century invested (or cursed!) with magic. A Kirkus Reviews Best Fiction Book of 2013 At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the Days of Queen Victoria. Memories of a Hospital Nurse. Re-issue A. H. Stoney 1931

In the Days of Queen Victoria A. H. Stoney 1931

Queen Victoria Elizabeth Longford 2011-08-26 Queen Victoria is the longest-reigning monarch in British history. In this concise biography, Lady Longford, long recognised as an authority on the subject, gives a full account of Queen Victoria's life and provides her unique assessment of the monarch. David Cannadine hailed her Victoria RI as 'pre-eminent in the genre...the commissed biography that the great Queen never got'. Victoria ascended the throne in 1837 on the death of her uncle William IV. In 1840, she married her first cousin, Prince Albert of Saxe-Coburg-Gotha, and for the next twenty years they were inseperable. Their descendants were to succeed to most of the thrones of Europe. When Albert died in 1861, Victoria's overwhelming grief meant that she virtually withdrew from public life. This perceived dereliction of her duty, coupled with rumours about her relationship with her Scottish ghillie John Brown, led

to increasing criticism. Coaxed back into the public eye by Disraeli, she resumed her former enthusiasm for political and constitutional matters with vigour until her death in 1901.

In the Days of Queen Victoria (Classic Reprint) Eva March Tappan 2015-07-19 Excerpt from In the Days of Queen Victoria To her own people Queen Victoria was England itself, the emblem of the realm and of the empire. To millions who were not her people the words "the Queen" do not bring even yet the thought of the well-beloved woman who now shares the English throne, but rather of her who for nearly sixty-four years wore the crown of Great Britain and gave freely to her country of the gift that was in her. Other women have been controlled by devotion to duty, other women have been moved to action by readiness of sympathy, but few have united so harmoniously a strong determination to do the right with a never-failing gentleness, a childlike sympathy with unyielding strength purpose. Victoria the Queen Julia Woodlands Baird 2016 An account of the life of the English monarch offers insight into the passionate and sensuous aspects of her character, placing her reign against a backdrop of dynamic world events while sharing insights into her relationship with Albert and her pivotal role in building the British empire.

In the Days of Queen Victoria Eva March Tappan 1902

In the Days of Queen Victoria Illustrated Edition Eva March Tappan 2021-08-10 A very sanitised version of the life of Queen Victoria, written primarily, it seems, for younger readers, but still of interest to others. The book follows the Queen from her birth to her death.

Queen Victoria's Children John Van der Kiste 2011-10-24 Queen Victoria and Albert, the Prince Consort, had nine children who, despite their very different characters, remained a close-knit family. Inevitably, as they married into European royal families their loyalties were divided and their lives dominated by political controversy. This is not only the story of their lives in terms of world impact, but also of personal achievements in their own right, individual contributions to public life in Britain and overseas, and as the children of Queen Victoria and the Prince Consort.

Victoria Catherine Reef 2017 "A biography for teens on Queen Victoria (1819-1901). Her long reign was filled with drama, death, intrigue, and passion, and took place during a time of great transformation, an era that bears the imprint of her personality and values as well as that of her name--the Victorian period."-- Provided by publisher.

Grandmama of Europe Theo Aronson 2020-11-12 Understanding the vital role of marriage in upholding Britain's power and influence over Europe, Queen Victoria asserted herself as royal matchmaker. This is a study of how a family shaped Europe.

Queen Victoria E. Gordon Browne 2015-10-31 In the old legend of Rip Van Winkle with which the American writer Washington Irving has made us so familiar, the ne'er-do-weel Rip wanders off into the Kaatskill Mountains with his dog and gun in order to escape from his wife's scolding tongue. Here he meets the spectre crew of Captain Hudson, and, after partaking of their hospitality, falls into a deep sleep which lasts for twenty years. The latter part of the story describes the changes which he finds on his return to his native village: nearly all the old, familiar faces are gone; manners, dress, and speech are all changed. He feels like a stranger in a strange land. Now, it is a good thing sometimes to take a look back, to try to count over the changes for good or for evil which have taken place in this country of ours; to try to understand clearly why the reign of a great Queen should have left its mark upon our history in such a way that men speak of the Victorian Age as one of the greatest ages that have ever been. If an Elizabethan had been asked whether he considered the Queen of England a great woman or not, he would undoubtedly have answered "Yes," and given very good reasons for his answer. It was not for nothing that the English almost worshipped their Queen in "those spacious times of great Elizabeth." Edmund Spenser, one of the world's great poets, hymned her as..

Queen Victoria Helen Rappaport 2003 Alphabetically arranged subject entries cover Queen Victoria's life and her sixty-three-year reign, the longest of any

female monarch.

Queen Victoria's Matchmaking Deborah Cadbury 2017-11-14 A captivating exploration of the role in which Queen Victoria exerted the most international power and influence: as a matchmaking grandmother. As her reign approached its sixth decade, Queen Victoria's grandchildren numbered over thirty, and to maintain and increase British royal power, she was determined to maneuver them into a series of dynastic marriages with the royal houses of Europe. Yet for all their apparent obedience, her grandchildren often had plans of their own, fueled by strong wills and romantic hearts. Victoria's matchmaking plans were further complicated by the tumultuous international upheavals of the time: revolution and war were in the air, and kings and queens, princes and princesses were vulnerable targets. Queen Victoria's Matchmaking travels through the glittering, decadent palaces of Europe from London to Saint Petersburg, weaving in scandals, political machinations and family tensions to enthralling effect. It is at once an intimate portrait of a royal family and an examination of the conflict caused by the marriages the Queen arranged. At the heart of it all is Victoria herself: doting grandmother one moment, determined Queen Empress the next. In the Days of Queen Victoria Illustrated Eva March Tappan 2021-04-20 In The Days of Queen Victoria is the story of Queen Victoria, the woman who became queen at eighteen and for nearly 64 years wore the crown of Great Britain.

Queen Victoria Lytton Strachey 1921

The Last Days of Glory Tony Rennell 2014-07-01 Queen Victoria's death in January 1901 shook Britain to its core, and reverberated not just throughout the Commonwealth, but around the world. She was a woman in her eighties, and yet it seems no one could contemplate the end of a reign that had lasted so long. Most could not remember a time when she was not Queen, and the very stability of everyday life seemed to depend on her regency. The anxiety of the government and the royal family about the prospect of the Queen's death was such that the news of her illness was deliberately concealed from the public for more than a week. When it came, people from England to Jamaica wept in the streets, and this grief was surpassed only by fear for the future. "God help us" was the standard reaction from all strata of society. The Last Days of Glory is the definitive account of those last 23 days in January 1901, when Victoria traveled to Osborne House to die. The momentous reaction to the Queen's passing attached to it more significance and a greater sense of change than the turn of the century had carried just a year earlier. Through the prism of those last days Tony Rennell presents us with a series of resonant and absorbing snapshots of a fading Empire at the end of the Victorian Age, and captures a nation coping with change, balancing comfortable nostalgia with the arrival of a new order.

The Last Days of Glory Tony Rennell 2001-09-25 Recreates the twenty-three days in January 1901 when Queen Victoria journeyed to Osborne House to meet her fate and succumb to the illness that had plagued her, bringing a dark pall upon Britain and signaling the end of an era.

The Letters of Queen Victoria, a Selection from Her Majesty's Correspondence Between the Years 1837 and 1861 Victoria (Queen of Great Britain) 1907

The Days of Queen Victoria, Or, A Sketch of the Times Citizen 2020

In the Days of Queen Victoria Eva Tappan 2019-09-25 A very sanitised version of the life of Queen Victoria, written primarily, it seems, for younger readers, but still of interest to others. The book follows the Queen from her birth to her death.

Who Was Queen Victoria? Jim Gigliotti 2014-07-10 Her reign of 63 years and seven months is known as the Victorian Era, a period of industrial, cultural, scientific, and political change that was marked by a great expansion of the British Empire. But Victoria was raised under close supervision and near isolation until she became Queen of the United Kingdom at the young age of 18. She married her first cousin, Albert, and had nine children who married into families across Europe. By the time she had earned the nickname "The Grandmother of Europe" and the title "Empress of India" it was indeed true that the sun never set on the British Empire. Publicly, she became a national icon, but privately, Who Was Queen Victoria?

The Early Days of Queen Victoria Charles Bullock 1897

In the Days of Queen Victoria, Etc. [With Plates.]. Eva March Tappan 1905

Queen Victoria Matthew Dennison 2014-06-24 The critically acclaimed author of The Last Princess presents an accessible account of Queen Victoria's life that examines her contradictory views and lasting influence, covering such topics as her reinvention of the monarchy, relationship with her mother and self-

reliance in widowhood. 30,000 first printing.
