Brand New Ancients Kae Tempest 2015-03-10 With this dazzling modern myth in verse, Kae Tempest became the youngest winner of the prestigious Ted Hughes Award for New Work in Poetry. Yes, the gods are on the park bench, the gods are on the bus, / The gods are all here, the gods are in us. / The gods are timeless, fearless, fighting to be bold, / conviction is a heavy hand to hold, / grip it, winged sandals tearing up the pavement -- / you, me, everyone: *Brand New Ancients*. Kae Tempest's words in *Brand New Ancients* are written to be read aloud; the book combines poem, rap, and humanist sermon, by turns tender and fierce. Set in Southeast London, *Brand New Ancients* finds the mythic in the mundane. It is the story of two half-brothers, Thomas and Clive, unknown to each other -- Thomas the result of an affair between his mother and Clive's father. Tempest, with wide-ranging empathy, takes us inside the passionless marriage of Jane and Kevin -- the man who suspects Thomas is not his son, but loves him just the same -- and the neighboring home of Mary and Brian, where betrayal has not been so placidly accepted. The sons of these two households -- quiet, creative Thomas and angry, destructive Clive -- will cross paths in adolescence, their fates converging with mortal fury. These characters' loves, their infidelities, their disappointments and their small comforts -- these, Tempest argues, are timeless. Our lives and our choices are no less important than those of history and myth. Awarded the Ted Hughes Award for New Work in Poetry, *Brand New Ancients* insists on our importance as individuals -- and asserts Kae Tempest's importance as a talent impossible to ignore.

The Butterfly Clues (EBK) Kate Ellison 2012-02-14 "Fascinating. A pleasing mix of realism, tension, intrigue and romance." —Kirkus Reviews ". . . a strong, twisty thriller of a debut . . . Stark and realistic."—RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place--possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as "Sapphire"--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. As she attempts to piece together the mysterious "butterfly clues," with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined--a world, she'll ultimately discover, that could hold the key to her brother's tragic death.

Trouble is a Friend of Mine Stephanie Tromly 2015-08-04 Sherlock meets Veronica Mars meets Ferris Bueller's Day Off in this story of a wisecracking girl who meets a weird but brilliant boy and their roller-coaster of a semester that's one part awkward, three parts thrilling, and five parts awesome. When Philip Digby first shows up on her doorstep, Zoe Webster is not impressed. He's rude and he treats her like a book he's already read and knows the ending to. But before she knows it, Digby—annoying, brilliant and somehow...attractive? Digby—has dragged her into a series of hilarious and dangerous situations all related to an investigation into the kidnapping of a local teenage girl. A kidnapping that may be connected to the tragic disappearance of his own sister eight years ago. When it comes to Digby, Zoe just can't say no. Digby gets her, even though she barely gets herself. But is Digby a hero, or is his manic quest an indication of a desperate attempt to repair his broken family and exercise his own obsessive compulsive tendencies? A

romance where the leading man is decidedly unromantic, a crime novel where catching the crook isn't the only hook, a friendship story where they aren't even sure they like each other—this is a contemporary debut with razor-sharp dialogue, ridiculously funny action, and the most charismatic dynamic duo you've ever met.

Alexis wants to think that it's all in her head, but soon, what she liked to think of as silly parlor tricks are becoming life-threatening: to her, her family, and to her budding relationship with the class president. Alexis knows she's the only person who can stop Kasey—but what if that green-eyed girl isn't even Kasey anymore?
