Amelia Earhart Caroline Gilpin 2013 Describes the life and legacy of the air pilot who disappeared over the Pacific Ocean in 1937 while on a flight around the world.

National Geographic Readers: Harriet Tubman (L2) Barbara Kramer 2019-12-24 Find out about the life of Harriet Tubman and how her brave actions working to "conduct" the Underground Railroad helped the Union Army in the Civil War lead more than 700 slaves to freedom. Learn about Harriet Tubman's life, achievements, and the challenges she faced along the way. The Level 2 text provides accessible, yet wide-ranging information for independent readers. National Geographic Readers have been a hit in the competitive beginning reader category, and this book builds on that success with the same careful text, brilliant photographs, and fun approach to high-interest biographies of fascinating people such as Harriet Tubman, has proved to be a winning formula with kids.

Polk Walter R. Borneman 2009-04-14 In Polk, Walter R. Borneman gives us the first complete and authoritative biography of a president often overshadowed in image but seldom outdone in accomplishment. James K. Polk occupied the White House for only four years, from 1845

to 1849, but he plotted and attained a formidable agenda: He fought for and won tariff reductions, reestablished an independent Treasury, and, most notably, brought Texas into the Union, bluffed Great Britain out of the lion's share of Oregon, and wrested California and much of the Southwest from Mexico. On reflection, these successes seem even more impressive, given the contentious political environment of the time. In this unprecedented, long-overdue warts-and-all look at Polk's life and career, we have a portrait of an expansionist president and decisive statesman who redefined the country he led, and we are reminded anew of the true meaning of presidential accomplishment and resolve.

Abraham Lincoln Caroline Gilpin 2012 An introduction to the 16th president's life and legacy includes discussions of his Civil War leadership and historic decision to abolish slavery, in a leveled reader that presents difficult historical concepts in an accessible manner to developing readers and provides engaging sidebars, timetables, fun facts and diagrams to keep them engaged. Simultaneous.

Rosa Parks Kitson Jazyuka 2015 Find out about the life of Rosa Parks and how her actions in Montgomery, Alabama, in 1955 helped end racial segregation in America. This book follows the same standards as other National Geographic Readers with the same careful text, brilliant photographs, and fun approach that kids love. The life story of Rosa Parks has enduring lessons to teach us and this biography should appeal to kids, parents, and teachers.

National Geographic Readers: Alexander Graham Bell  
Barbara Kramer 2015-01-06 Say hello to the inventor of

the telephone—and so much more! Through leveled text and engaging photos, kids meet Alexander Graham Bell and learn about his important invention as well as his role in the founding of the National Geographic Society. This level 2 text provides easy-to-access information perfect for independent readers. From the Trade Paperback edition.

George Washington Carver Kitson Jazyuka 2016

..Through leveled text and engaging photos, kids meet George Washington Carver and learn about his important work with peanuts and other plants."--Provided by publisher.

James Monroe Tim McGrath 2020-05-05 The extraordinary life of James Monroe: soldier, senator, diplomat, and the last Founding Father to hold the presidency, a man who helped transform thirteen colonies into a vibrant and mighty republic. "A first-rate account of a remarkable life." —Jon Meacham, Pulitzer Prize-winning author of *The Soul of America* Monroe lived a life defined by revolutions. From the battlefields of the War for Independence, to his ambassadorship in Paris in the days of the guillotine, to his own role in the creation of Congress's partisan divide, he was a man who embodied the restless spirit of the age. He was never one to back down from a fight, whether it be with Alexander Hamilton, with whom he nearly engaged in a duel (prevented, ironically, by Aaron Burr), or George Washington, his hero turned political opponent. This magnificent new biography vividly recreates the epic sweep of Monroe's life: his near-death wounding at Trenton and a brutal winter at Valley

Forge; his pivotal negotiations with France over the Louisiana Purchase; his deep, complex friendships with Thomas Jefferson and James Madison; his valiant leadership when the British ransacked the nation's capital and burned down the Executive Mansion; and Monroe's lifelong struggle to reckon with his own complicity in slavery. Elected the fifth president of the United States in 1816, this fiercest of partisans sought to bridge divisions and sow unity, calming turbulent political seas and inheriting Washington's mantle of placing country above party. Over his two terms, Monroe transformed the nation, strengthening American power both at home and abroad. Critically acclaimed author Tim McGrath has consulted an extensive array of primary sources, many rarely seen since Monroe's own time, to conjure up this fascinating portrait of an essential American statesman and president.

It's What I Do Lynsey Addario 2016-11-08 "An unflinching memoir . . . [that] offers insight into international events and the challenges faced by the journalists who capture them." —The Washington Post War photographer Lynsey Addario's memoir is the story of how the relentless pursuit of truth, in virtually every major theater of war in the twenty-first century, has shaped her life. What she does, with clarity, beauty, and candor, is to document, often in their most extreme moments, the complex lives of others. It's her work, but it's much more than that: it's her singular calling. Lynsey Addario was just finding her way as a young photographer when September 11 changed the world. One of the few photojournalists with experience in Afghanistan, she gets the call to return and cover the American invasion. She decides to set out across the

world, face the chaos of crisis, and make a name for herself. Addario finds a way to travel with a purpose. She photographs the Afghan people before and after the Taliban reign, the civilian casualties and misunderstood insurgents of the Iraq War, as well as the burned villages and countless dead in Darfur. She exposes a culture of violence against women in the Congo and tells the riveting story of her headline-making kidnapping by pro-Qaddafi forces in the Libyan civil war. As a woman photojournalist determined to be taken as seriously as her male peers, Addario fights her way into a boys' club of a profession. Rather than choose between her personal life and her career, Addario learns to strike a necessary balance. In the man who will become her husband, she finds at last a real love to complement her work, not take away from it, and as a new mother, she gains an all the more intensely personal understanding of the fragility of life. Watching uprisings unfold and people fight to the death for their freedom, Addario understands she is documenting not only news but also the fate of societies. It's What I Do is more than just a snapshot of life on the front lines; it is witness to the human cost of war.

The Story of George Washington Patricia A. Pingry 2022-01-04 Explore George Washington's childhood and presidency with this 200-word board book perfect for little learners! This little book introduces George Washington, one of the forefathers of the United States, and its first president. Simple, toddler-friendly text tells the infamous story of the cherry tree from his childhood, his part in the Revolutionary War, and his presidency. Accompanied by vivid and engaging illustrations, The Story of George

Washington will help even the smallest children understand who George Washington is, and why he is so important.

**National Geographic Readers: Frederick Douglass (Level 2)** Barbara Kramer 2017-01-17 Discover the world of one of America's most celebrated abolitionists, writers, and orators in this inspirational biography of Frederick Douglass. Kids will learn about his life, achievements, and the challenges he faced along the way. The Level 2 text provides accessible, yet wide-ranging, information for independent readers. From the Trade Paperback edition.

**Alexander Hamilton** Susanna Keller 2017-12-15 Although Alexander Hamilton recently recaptured the spotlight as the subject of a hit Broadway show, his role as one of the first and foremost interpreters of the U.S. Constitution means that his importance was never in doubt. This biography introduces readers to the exciting life, and dramatic death, of the man whose accomplishments include (though are hardly limited to) working as Washington's aide during the American Revolution, writing the majority of the Federalist Papers, serving as the first Secretary of the Treasury, and influencing the establishment of the two-party political system. Sidebars highlight key vocabulary terms or offer informative quick facts, which is a great resource for report-writing.

**The Next Everest** Jim Davidson 2021-04-20 A dramatic account of the deadly avalanche on Everest—and a return to reach the summit. On April 25, 2015, Jim Davidson was climbing Mount Everest when a 7.8-magnitude earthquake released avalanches all around him and his team, destroying their only escape route and

trapping them at nearly 20,000 feet. It was the largest earthquake in Nepal in eighty-one years and killed nearly 8,900 people. That day also became the deadliest in the history of Everest, with eighteen people losing their lives on the mountain. After spending two unsettling days stranded on Everest, Davidson's team was rescued by helicopter. The experience left him shaken, and despite his thirty-three years of climbing and serving as an expedition leader, he wasn't sure that he would ever go back. But in the face of risk and uncertainty, he returned in 2017 and finally achieved his dream of reaching the summit. Suspenseful and engrossing, *The Next Everest* portrays the experience of living through the biggest disaster to ever hit the mountain. Davidson's background in geology and environmental science makes him uniquely qualified to explain why the seismic threats lurking beneath Nepal are even greater today. But this story is not about "conquering" the world's highest peak. Instead, it reveals how embracing change, challenge, and uncertainty prepares anyone to face their next "Everest" in life.

Sacagawea Kitson Jazyuka 2015 Explore one of the most recognized figures in American history with this biography of Sacagawea. Kids will learn about her crucial role in the Lewis and Clark expedition and her influential legacy. The level 3 text provides accessible, yet wide-ranging, information for independent readers.

Revolution.

Anne Frank Alexandra Zapruder 2013 Profiles the young Jewish girl who kept a diary of her time in hiding from the Nazis during World War II.

Who Was George Washington Carver? Jim Gigliotti 2015-12-29 Born in 1860s Missouri, nobody expected George Washington Carver to succeed. Slaves were not allowed to be educated. After the Civil War, Carver enrolled in classes and proved to be a star student. He became the first black student at Iowa State Agricultural College and later its first black professor. He went on to the Tuskegee Institute where he specialized in botany (the study of plants) and developed techniques to grow crops better. His work with vegetables, especially peanuts, made him famous and changed agriculture forever. He went on to develop nearly 100 household products and over 100 recipes using peanuts.

National Geographic Readers: Rosa Parks Kitson Jazyinka 2015-08-04 Find out about the life of Rosa Parks and how her actions in Montgomery, Alabama, in 1955 helped end racial segregation in America. This book follows the same standards as other National Geographic Readers with the same careful text, brilliant photographs, and fun approach that kids love.
