Number and Letter Puzzles Des Machale 2019-11-03 One day many years ago a student came up to me and said, 'I bet you do not know what "'8 S on an SS"' stands for?' I didn't, and it took me several days to work it out. But I did, on my own, and experienced the thrill every puzzle solver feels when the moment of revelation occurs. Immediately, I began to collect and manufacture them myself. This book contains the biggest assembly of these puzzles ever published, graded from very easy to the fiendishly difficult, with one word clues to encourage people who need a little help. The other type of puzzles in this book are of the "'What Comes Next?'" variety --- you are given a sequence of usually six letters or numbers and asked what you think the next term should be. These puzzles are immensely popular with all ages, genders, occupations, and nationalities. They can help to develop intelligence, general knowledge, concentration, and lateral thinking, and can be used in family, classroom, and community games and activities.

City of the Beasts Isabel Allende 2021-01-05 A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich

mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.
