Narcopolis Jeet Thayil 2012-04-12 Shortlisted for the Man Booker Prize Written in poetic and affecting prose, Jeet Thayil's luminous debut novel charts the evolution of a great and broken metropolis across three decades. A rich, hallucinatory dream that captures Bombay in all its compelling squalor, Narcopolis completely subverts and challenges the literary traditions for which the Indian novel is celebrated. It is a book about drugs, sex, death, perversion, addiction, love, and God and has more in common in its subject matter with the work of William S. Burroughs or Baudelaire than with that of the subcontinent's familiar literary lights. Above all, it is a fantastical portrait of a beautiful and damned generation in a nation about to sell its soul.

The Forty Rules of Love Elif Shafak 2010-02-18 In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. The Forty Rules of Love unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Also contained here is a biography of Rumi by Andrew Harvey, as well as an introductory essay by Kabir Helminski on the art of translating Rumi's work into English.

The Captured Gazelle 2013-06-15 Every moment it seeks to slip from the mind's nook Fresh poetic meaning is a gazelle to be captured *The Captured Gazelle* is an elegant and lucid translation of the poems of the seventeenth-century Persian poet Mulla Tahir Ghani, better known as Ghani Kashmiri. Eulogized by poets such as Mir and Iqbal, Ghani is an outstanding representative of *sabk-e-Hindi* or the 'Indian style' in Persian poetry, which became a hallmark of the Mughal–Safavid literary culture. The introduction situates Ghani against his unique background in which Iranian and Indian poetic cultures came together to create a glorious literary age in Kashmir, while the translations capture Ghani in his wide spectrum of moods—satirical, playful, self-pitying, pessimistic, mystically resigned—bringing alive his wit and ingenuity in a modern idiom without losing hold on the tone.

The Masnavi, Book One Jalal al-Din Rumi 2004-11-11 'The pen would smoothly write the things it knew But when it came to love it split in two, A donkey stuck in mud is logic's fate - Love's nature only love can demonstrate.' Rumi's *Masnavi* is widely recognized as the greatest Sufi poem ever written, and has been called 'the Koran in Persian'. The thirteenth-century Muslim mystic Rumi composed his work for the benefit of his disciples in the Sufi order named after him, better known as the whirling dervishes. In order to convey his message of divine love and unity he threaded together entertaining stories and penetrating homilies. Drawing from folk tales as well as sacred history, Rumi's poem is often funny as well as spiritually profound. Jawid Mojaddedi's sparkling new verse translation of *Book One* is consistent with the aims of the original work in presenting Rumi's most mature mystical teachings in simple and attractive rhyming couplets. The Truth about Spiritual Enlightenment Shanmugam P 2017-11-22 Spiritual enlightenment is becoming a buzzword. Enlightenment is a popular niche for people who write or read about self-help, meditation, healing, psychology and more. But do you really understand what enlightenment is? Is it some kind of altered state of consciousness, a solution to get high without drugs, a way to live life in 24/7 bliss, a myth or a complete scam? Is there any scientific basis to enlightenment or spiritual awakenings? This book has the answer for these questions. This book attempts to bridge spiritual teachings of Vedanta and Buddhism with science. It gives you a practical and reasonable path to end your suffering and live a peaceful, satisfied and happy life. Above all, it will help you to find your own way and follow your own light. The book will also introduce you to some important concepts in psychology, which are related to spiritual awakening. The concepts and solution presented in this book are based on the author's own experience. It also has a chapter that narrates author's own spiritual journey which led to a complete spiritual transformation. The book also has a separate chapter which talks about scientific research done on spiritual enlightenment.

The Winged Energy of Delight Robert Bly 2009-10-06 Robert Bly had always been amazingly prescient in his choice of poets to translate. The poetry he chose supplied qualities that were lacking from the literary culture of this country. For the first time Robert Bly's brilliant translations, from several languages, have been brought together in one book. Here, in *The Winged Energy of Delight*, the poems of twenty-two poets, some renowned, others lesser known, are brought together. At a time when editors and readers knew only Eliot and Pound, Robert Bly introduced the earthy wildness of Pablo Neruda and Cesar Vallejo and the sober grief of Trakl, as well as the elegance of Jiménez and Tranströmer. He also published high-spirited versions of Kabir and Rumi, and Mirabai, which had considerable influence on the wide culture of the 1970s and 1980s. Bly's clear translations of Rilke attracted many new readers to the poet, and his versions of Machado have become models of silence and depth. He continues to bring fresh and amazing poets into English, most recently Rolf Jacobsen, Miguel Hernandez, Francis Ponge, and the nineteenth-century Indian poet Ghalib. As Kenneth Rexroth has said, Robert Bly "is one of the leaders of a poetic revival which has returned American literature to the world community."

Me & Rumi Shams-i Tabr?z? 2004 Rumi has become one of the best-selling poets in North America. Practically every biography highlights his encounter with Shams-i Tabrizi, the wandering mystic who became his beloved companion. Rumi had been a sober scholar, teaching law and theology to a small circle of students, but Shams turned him into a devotee of music, dance, and poetry. Then, after three years, he vanished, never to be seen again. It was Rumi's longing for the lost Shams that made him one of the world's greatest poets, celebrating him as the embodiment of the divine beloved. This book makes available for the first time in any European language first-hand accounts of Shams that have never been studied by Western scholars. When Rumi and Shams talked, members of the circle took notes, which were preserved and sometimes copied by later generations, ending up in various libraries scattered around Turkey; this book arranges them in a manner that clarifies their meaning and context, with notes and a glossary.--From publisher description.

The Book of Rumi Rumi 2018 Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume *Masnavi*, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of Rumi's writings, as well as the sense of suspense and drama that mark the essence of the *Masnavi*.

Al-Mutanabbi Street Starts Here Beau Beausoleil 2012-08-20 On March 5th, 2007, a car bomb was exploded on al-Mutanabbi Street in Baghdad. More than thirty people were killed and more than one hundred were wounded. This locale is the historic center of Baghdad bookselling, a winding street filled with bookstores and outdoor book stalls. Named after the famed 10th century classical Arab poet al-Mutanabbi, it has been the heart and soul of the Baghdad literary and intellectual community. This anthology begins with a historical introduction to al-Mutanabbi Street and includes the writing of Iraqis as well as a wide swath of international poets and writers who were outraged by this attack. This book seeks to show where al-Mutanabbi Street starts in all of us: personally, in our communities, and in our nations. It seeks to show the commonality between this small street in Baghdad and our own cultural centers, and why this attack was an attack on us all. This anthology sees al-Mutanabbi Street as a place for the free exchange of ideas; a place that has long offered its sanctuary to the complete spectrum of Iraqi voices. This is where the roots of democracy (in the best sense of that word) took hold many hundreds of years ago. This anthology looks toward al-Mutanabbi Street as an affirmation of all that we hope for in a more just society. The Legend of Seyavash Ferdows? 2004 The Legend of Seyavash comes from the middle section of the *Shahnameh*, Iran's national epic by the poet Ferdowsi (c940-c1020) and presents a world of warfare, military prowess, romance, guile, and fierce tribal loyalty. Ferdowsi's epic style and mastery of poetic organisation, however, is matched by the psychological and ethical depth of his insight and his concerns for the primal struggle between good and evil, and man's continual attempt to create justice and civilized order out of the chaos of human greed and cruelty. The Legend of Seyavash begins with the stuff of romance -- a foreign girl of royal blood, found as a fugitive and

introduced into the king's harem, gives birth to a son, Seyavash, who is raised not by his father the king, but by the great hero Rostam. On Seyavash's return home Sudabeh, his stepmother, attempts to seduce him, and when he spurns her she accuses him of having attempted to rape her. He undergoes a trial by fire to prove his innocence, and goes on to battle successfully against Iran's rival, Turan, concluding a truce with the Turanian king, Afrasyab, on amicable terms. But Seyavash's father, Kavus, insists that Seyavash surrender the Turanian hostages to slaughter, and with a conflicted conscience and no one to turn to, Seyavash flees to the Turanian court, where he is first given safe harbour, but is once again abandoned. Dick Davis has made a masterful translation of the poem and written a penetrating introduction.

Rumi's Little Book of Love and Laughter Coleman Barks 2016-10-01 Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do—however compulsive—affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality—much like a painting by Hieronymus Bosch or Chaucer's Canterbury Tales. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw—intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along."--Rumi

Tramp for the Lord Corrie ten Boom 1974-01-01 "It was in a church in Munich that I saw him.... "One moment I saw the overcoat and the brow hat; the next, a blue uniform and a visored cap with its skull and crossbones. It came back with a rush: The place was Ravensbruck and the man who was making his way forward has been a guard—one of the most cruel guards. "Now he was in front of me, hand thrust out. I was face to face with one of my captors and my blood seemed to freeze. "Fraulein, will you forgive me?" Communicating her experience of God's guidance, forgiveness and power, Corrie was still challenged to live fully the truths she had learned. In her imprisonment and later her world travels, her life continued to declare that "there is no pit so deep that Jesus' love is not deeper still."

The Triumphal Sun Annemarie Schimmel 1993-01-01 This is a book on Rumi's life, his poetry, his thought, and his influence. Rumi's work forms one of the pillars of the Sufi orders, particularly the Mevlevi order, better known in the West as the Whirling Dervishes. In this book Rumi emerges not only as a spiritual master, but also as a fully human being grounded firmly in the Koran and in classical Islamic mysticism. The light of the Divine Sun, in its Beauty and Majesty, manifested itself for Rumi through the person of Shams of Tabriz. Transformed by this light, consumed by this fire, Mowlana Rumi saw the world in a new light. Everywhere he perceived God's Grandeur and his Grace. The book also discusses the theological premises upon which Rumi's work rests, his attitude to the problems of free will and predestination, and his analysis of the mystical stages and stations. The book not only gives a very rich analysis of Rumi's language and poetical art, but also a picture of medieval Konya, whose features the mystical poet transforms and transfigures.
