Loving Others + Joy Jodie Cooper 2020-12 Loving Others Derision and hatred are a common feature on our screens. Such words and actions are accepted and even celebrated by the world. In this mess, how can we lead our families to love as Jesus did? Soolie gets mad, so very mad, when his little sister touches his favourite toy. As his Mum teaches him what God's word has to say about love he wonders: Can God really be more powerful than my big, angry feelings? Join Soolie and his family in an all too familiar tale of sibling rivalry, as they discover what God's Word has to say about loving others. Then lead your family, friends or students to study this challenging topic for yourselves. In God's word, loving others is non-negotiable. Our love for other Christians is meant to be what sets us apart as followers of Jesus. But it isn't an easy task. Your family need your help today to learn the importance of loving others and the incredible power that we have been given that makes this possible. Get your copy of this resource to help you lead your family to love when it is hard. We know this is what God has called all of us to and that he will be glorified as we reflect his character in this way. Joy Life can give us plenty to complain about. But the Bible commands us to have joy. Is it really possible to count it all joy? The excitement of Soolie's plans for the day is interrupted when he is reminded he has a job to do first. Soolie is filled with something, but it certainly isn't joy. His Dad takes the opportunity to teach him an important lesson about joy. But will it have the power to change his mood? Join Soolie for another tale in the gum trees as he discovers the source of true and lasting joy. Then use the discussion questions & Family Joy Project to connect this important lesson to your own life. You will be glad that you did! Cain v. Abel Dan Ornstein 2020-04 Come, take your seat as a juror on the Cain v. Abel trial. The prosecution and defense attorneys—angels from Jewish legend—will soon call Cain, Abel, Sin, Adam, Eve, great commentators of Jewish tradition, and God to the witness stand to unpack the emotional, societal, and spiritual influences underlying the world's first murder.

Biblical Counsel 1993

Family Jessie Minassian 2017-09-05 Parents know the drama of living with a teenage girl. Teen girls struggle to honor their closest relationships while finding their unique identity during adolescence, especially in today's families which can be messy, complex, and even painful. But family—however messy—can also provide the perfect training ground to make us more like Christ. Family: How to Love Yours (and Help Them Like You Back) is written to come alongside a young woman and equip her as she navigates her roles, responsibilities, and responses from a Christian perspective. With tender, funny, and hope-filled insight, Jessie Minassian digs in deep where parents sometimes struggle to be heard. Jessie offers trusted advice and wise, Godly counsel for a young woman to honor her closest relationships, see her family's dynamics in new ways, and have some fun along the way!

Sister Mine Nalo Hopkinson 2013-03-12 WINNER OF THE ANDRE NORTON NEBULA AWARD "Nalo Hopkinson is one of science fiction's most inventive and brilliant writers" -New York Post We'd had to be cut free of our mother's womb. She'd never have been able to push the two-headed sport that was me and Abby out the usual way. Abby and I were fused, you see. Conjoined twins. Abby's head, torso, and left arm protruded from my chest. But here's the real kicker; Abby had the magic, I didn't. Far as the Family was concerned, Abby was one of them, though cursed, as I was, with the tragic flaw of mortality. Now adults, Makeda and Abby still share their childhood home. The surgery to separate the two girls gave Abby a permanent limp, but left Makeda with what feels like an even worse deformity: no mojo. The daughters of a celestial demigod and a human woman, Makeda and Abby were raised by their magical father, the god of growing things--a highly unusual childhood that made them extremely close. Ever since Abby's magical talent began to develop, though, in the form of an unearthly singing voice, the sisters have become increasingly distant. Today, Makeda has decided it's high time to move out and make her own life among the other nonmagical humans--after all, she's one of them. In Cheerful Rest, a run-down warehouse space, Makeda finds exactly what she's been looking for: an opportunity to live apart from Abby and begin building her own independent life. There's even a resident band, led by the charismatic (and attractive) building superintendent. But when her father goes missing, Makeda will have to discover her own talent--and reconcile with Abby--if she's to have a hope of saving him . . .

Reading While Black Esau McCaulley 2020-09-01 Reading Scripture from the perspective of Black church tradition can help us connect with a rich faith history and address the urgent issues of our times. Demonstrating an ongoing conversation between the collective Black experience and the Bible, New Testament scholar Esau McCaulley shares a personal and scholarly testament to the power and hope of Black biblical interpretation.

Teaching Kids to Be Kind Rachel Tomlinson 2020-01-21 A simple and sweet parenting book with 365 tips—a new one to try every day! As a parent, you want the best for your child, and one of your greatest hopes is that your child will grow up to be a good person. So, what makes a good person? Generally, we think about good people as being kind: those who are compassionate, empathetic, generous. However, it seems that, in our fast-paced, individual-driven society, kindness is fading and the pressure on parents to raise socially conscious, empathetic, and caring children can seem overwhelming at times. In Teaching Kids to Be Kind, Rachel Tomlinson draws from her professional experiences to provide 365 inspiring strategies to help children and families practice kindness every day of the year. Daily tips include: Taking your child shopping around the holidays to select a new toy to donate to another little boy or girl their age. Leaving little notes in their lunch box or school bag for them to find. This models unconditional love and consideration for others. Baking a cake together to teach patience and teamwork and build on their ability to delay gratification. An essential tool for parents, Teaching Kids to Be Kind will help children develop empathy, regulate their emotions, and improve their general well-being as well as support families in strengthening their overall relationships.

The Flawed Family of God Carolyn B. Helsel 2021-02-09 The best stories in the book of Genesis involve families. The issues these stories raise—married vs. single life, sibling rivalry, infertility, family relocation, blended families, and the like—are startlingly relevant to families of today. This Bible study examines the families of Genesis, starting with how the Adam and Eve story encompasses far more ways of being family than most of us think. It looks at the sibling rivalry of the Cain and Abel story, pointing to the jealousy and violence to which the whole human family seems addicted. It uses the ups and downs of the relationship between Abraham, Sarah, Hagar, and Ishmael can help us understand the complicated dynamic of blended families. Carol Helsel and Suzie Park invite readers these and many other connections as they reexamine the joys and complications of modern family life. This engaging Bible study includes questions for individual reflection or group use.

When God Says "Wait" Elizabeth Laing Thompson 2017-03-01 A job, a true love, a baby, a cure. . . We're all waiting for something from God. And the place between His answers can feel like a wasteland where dreams—and faith—go to die. When we're waiting, we wonder, "Why?", "Why me?", and "How long?" But the truth? . . . When God says, "Wait," He doesn't tell us for how long. When God says, "Wait," we face one of life's greatest tests. When God says, "Wait," we have decisions to make. When God says, "Wait," we can control only two things: how we wait, and who we become along the way. Author Elizabeth Laing Thompson invites you to walk alongside people of the Bible who had to wait on God. . .imperfect heroes like David, Miriam, Naomi, Sarah, Joseph, and others. Their stories will provide a roadmap for your own story, helping you navigate the painful, lonely territory of waiting, coming out on the other side with your faith, relationships, and sense of humor intact. They might even help you learn to enjoy the ride. This book is about the journey of waiting, the space between answers, and the people we become while we live there.

Men in the Bible and Related Literature John Tracy Greene 2015-06-18 Men in the Bible is the result of the Seminar in Biblical Characters in Three Traditions of the International Society of Biblical Literature Annual Meeting that was held at St. Andrews University, Scotland, in 2013. This volume brings together the best papers presented at the Seminar in the form of formal essays. These treat such biblical issues as the profession of the shepherd; the lawgiver; the trickster; fathers and sons; relations among relatives; marriage; inheritance; interpreting prop ...

The New Strong-Willed Child James C. Dobson 2014-08-22 Provides a child-rearing guide for difficult-to-handle children and is intended for parents needing help with sibling rivalry, ADHD, low self esteem, and other birth-adolescent issues.

7 Traits of Effective Parenting Danny Huerta 2020-08-18 In today's complex world, parenting is a tough job. Beyond the difficulties of the changing world we live in, there are also the daily frictions of imperfect people sharing a home together. However, Daniel P. Huerta, Focus on the Family's Vice President of Parenting, offers hope and help for you to become an effective parent. Based on exhaustive research, Huerta presents a collection of seven powerful character traits designed to help parents grow and thrive as they take on the task of raising children. Parents will be encouraged to navigate family life with grace and love so their children ultimately see God's transformative power, love, and influence.

Cain's Legacy Jeanne Safer 2012-01-03 Bonds between brothers and sisters are among the longest lasting and most emotionally significant of human relationships. But while 45 percent of adults struggle with serious sibling strife, few discuss it openly. Even fewer resolve it to their satisfaction. In Cain's Legacy, psychotherapist Jeanne Safer, a recognized authority on sibling psychology (and an estranged sister herself) illuminates this pervasive but hidden phenomenon. She explores the roots of inter-sibling woes, from siblicide in the book of Genesis to tensions in Freud's family history. Drawing on sixty in-depth interviews with adult siblings struggling with conflicts over money, family businesses, aging parents, contentious wills, unhealed childhood wounds, and blocked communication, Safer provides compassionate guidance to brothers and sisters whose relationship is broken. She helps siblings overcome their paralysis and pain, revealing how they can come to terms with the one peer relationship they can never sever--even if they never see each other again. A heartfelt look at a too-often avoided topic, Cain's Legacy is a sympathetic and clear-eyed guide to navigating the darkness separating us from our brothers and sisters.

Sibling Rivalry in the Household of God Jay E. Adams 2010-09-09 Many of us have experienced sibling rivalry: poking, pushing; hurtful words that sting. Whether between children or adults, sibling rivalry is perhaps the worst kind of contention, and tends to be more dangerous, more vicious and longer lasting than most. Unfortunately, what is true in our families is also true in the church. This book is about the cause and effects of rivalry among brothers and sisters in Christ-and what can be done about it. It is the Christian's duty to prevent such divisions in the family of God. When such divisions do occur, however, it is also the duty of Christians to turn possible disasters into God-glorifying victories. Every Christian needs to read and learn from the pages of this book. It may even revolutionise your church . . . and you!

Families of the Bible Kamila Blessing 2010 Reinterpreting the Bible through Family Systems Theory, this fascinating exploration shows how the theology of creation, restoration, and salvation can be meaningfully and uniquely understood through the lens of the biblical family. * Uses family systems theory in a way that will be accessible for the layperson, as well as scholars and clergy * Includes genograms and other family diagrams * Offers original interpretations of family stories throughout * Cites specific biblical examples * Includes an appendix demonstrating the use of Family Systems Theory as hermeneutic

Creative Correction Lisa Whelchel 2011-09-06 Drawing from her own family's experiences and from interaction with other parents, Lisa Whelchel offers creative solutions for parents who are out of ideas and desperate for new, proven approaches to discipline. In addition to advice on topics such as sibling conflict and lying, Whelchel offers a biblical perspective and down-to-earth encouragement to parents who are feeling overwhelmed. A handy reference guide that provides ideas for specific situations rounds out this resource that will be a blessing to parents and their children. Now in softcover.

Making Brothers and Sisters Best Friends Sarah Mally 2006 Brothers and sisters are among the most important people in life. The emphasis of this book is not merely "getting along" but being best friends.

God the Leader Kathleen M. Rochester 2020-06-04 What kind of a leader is God? Is he a benevolent Santa Claus? Or is he really a narcissist? Is his leadership centered on law enforcement? Or is his priority focused on relationships? Is his interest in nations and systems? Or is he personally alongside the mistreated and oppressed? Is he a leader of armies? Or is he a leader of peace? These and many other questions about God's character and leadership are in the back (if not the front) of many people's minds—questions especially about the God of the Old Testament, who is often painted very differently from the God of the New Testament. Our image of God as leader is highly likely to influence how we act when we are leaders—whether as parents, bosses, teachers, politicians, or leaders of any group, small or large. This book assists us in observing God's leadership through the varied contours of the Old Testament journey and offers human illustrations of leadership, both positive and negative, to help us in our reflections.

Raising Children Tahera Kassamali 2017-05-11 This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!

Sibling Rivalry Joan Dunham 2021-04-26 My reasons for writing this book grew from the current state of social behavior (peer pressure) among our children. Sometimes we don't recognize that things that may seem simple or small to one person are a big issue to someone else. We should be more accepting of others' differences or preferences. We also have to recognize that today, it may take two parents working from home or outside of the home to support the family household. Therefore, the parents have to trust that the older siblings will watch and care for the younger siblings. My older siblings cared for the three little kids (which included me) when my mother had to make a living for our family. Once she left for work, there was no vehicle around. We lived out in the country thirty minutes away from any hospital, so my siblings were given a lot of responsibility. We were raised to go to church every Sunday, rain or shine. We really didn't have an excuse for not going to church since the church was at the top of the hill, and it took less than five minutes to walk there. It was at that little country church we learned to accept people for who they were and how to treat others within church. I believe if we teach our children love and respect for themselves as well as others, we can eliminate bullying. In the Christian faith, all that is asked of us is that we be obedient to God's Word and that we love one another.

Kinship in the Household of God Cynthia Tam 2021-10-07 This unique volume contributes a profound-autism perspective to the ongoing discussion of belonging in the church. By taking readers into two church communities, the author explores the issues of belonging from those least welcomed by the church and consider what the church should do differently. Adopting a "we" approach, she emphasizes the unity of different members in Christ. As one body in Christ, all believers share Christ's sonship and become children of God. The household concept invites readers to reconceptualize Christian relationships as covenantal kinship. The kinship relationship is established by God's covenantal commitment fulfilled in Christ. With or without autism, any person who obeys God's summons is incorporated into Christ's body by the Spirit to become God's child. Believers are thus siblings to one another. Viewing each person this way enables us to see beyond human differences and welcome one another as God's gifts and indispensable members of the community.

Sibling Rivalry Patricia S. Crawford 2015-05-14 Sibling Rivalry is a book that is near and dear to my heart because of the rivalry that has transpired among my siblings and I. I describe this book as therapy for the soul. Sibling Rivalry is the clear depiction of various facets of rivalry within the home. This book will help you to understand where rivalry in the home derives from and possibly help you to understand your own personal situation. Sibling Rivalry is structured to help break generational curses, heal, forgive, and restore love that has been lost. Revelation states that Cain and Abel where the very first Rivals amongst siblings. Cains jealous nature left their parents without both of their children. Cain killed Abel out of jealousy and because the Lord showed favor over Abel. Cain did not have to be jealous of his brother because God had told Cain how to receive favor for himself. Jealousy and anger was so deeply rooted inside of Cain until it made him commit murder. Cain would have rather killed his own sibling then to take the advice of the Lord God our Savior. God was not pleased with what Cain had done so God cursed Cain. This books reveals different types of rivalry inside of the home.

Sibling Rivalry in the Household of God Jay Edward Adams 1988

Jesus Journey Trent Sheppard 2017-02-07 Jesus was human, like you and me. If the gospel is true, he still is. Christians worldwide believe that Jesus is God. But this belief wasn't the starting point for Jesus' earliest followers. While Jesus' humanity was a given for the disciples, his divinity was a truth they grew into believing—it was a journey of faith. As Christians today, we are also called into a faith journey—this time, to rediscover Jesus' humanity. Yes, we believe that Jesus is God, but do we truly believe that Jesus is human? And if so, how does that transform our own experience of being human? Through eye-opening yet down-to-earth reflections, Jesus Journey invites you to encounter Jesus again—as if for the first time—by experiencing his breathing, heart-beating, body-and-blood, crying-and-laughing humanity. Join Bible teacher and storyteller Trent Sheppard as he shines new light on the vibrant humanity of the historical Jesus through an up-close look at Jesus' relationships with Mary and Joseph, with the God he called Abba, with his closest friends and followers, and how, ultimately, his crucifixion and resurrection finally and forever redefine what we mean by the word God. Come encounter the human who radically transforms our view of God. Come encounter the God who forever changes what it means to be human.

Beyond Sibling Rivalry Peter Goldenthal 2000-02-15 A practicing psychologist with years of personal and professional experience guides parents to childrearing techniques that can reduce or prevent sibling conflicts, and tips on how to eliminate stress among children. Reprint.

Sibling Rivalry in God's Family Elmer Morgan 1993-03-01

My Brother's Keeper Junior Kim Sorgius 2015-03-23 Journey on a 4 week in-depth Bible study on the subject of sibling relationships. We will explore the stories of 10 different siblings from the Bible, some with beautiful stories and some with ugly ones. Through the stories of these siblings and the pages of Scripture, we will learn God's true purpose for siblings and families, the issues that siblings face, the responsibilities that we have as siblings, and practical

tools for resolving the inevitable conflict. We are looking for real change in the hearts of our children through this study. The Bible passages are in-depth and challenge them to really think about what God wants for their lives! The Junior level is written for ages 5-8. Of course, mom is always best at placing their child in the right level. Ages are just a guideline. This version is written so an adult can read the text to the child and the child completes a simple page along with the reading. If you have children in both levels, the study is designed to coincide, making it easy to use as a family devotion.

Mind, Character, and Personality, Vol. 2

Keep the Siblings, Lose the Rivalry Todd Cartmell 2003 Weaves biblical references, a Christian worldview, and practical advice on how to manage sibling rivalry, in a guide that discusses the causes of sibling rivalry while addressing how parents can teach positive social and problem-solving skills to their children. Original.

Keep the Siblings Lose the Rivalry Todd Cartmell 2010-05-29 For most of us, dreams of family harmony and cooperation often give way to the reality of squabbling and fighting between siblings. In *Keep the Siblings, Lose the Rivalry*, Dr. Todd Cartmell explodes the myth that parents must sit passively by while sibling conflict runs rampant. Based on solid biblical principles and sibling research, Cartmell provides a ten-step plan that will help you enrich your family soil, plant the seeds of sibling relational skills, and provide an environment that will encourage respectful sibling relationships. Cartmell includes fifteen "ready-to-use" Family Time Discussion Guides and creates powerful object lessons using common household objects such as stinky socks, post-it notes, tennis balls, and tasty treats. With role-plays, Scripture references, and interactive discussion questions, each Family Time Discussion Guide will bring you closer together as a family and improve your children's skills at handling sibling conflict in a respectful way. Practical, down-to-earth, and leavened with Cartmell's dry humor, *Keep the Siblings, Lose the Rivalry* will equip you to handle the most difficult sibling challenges.

My Dearest Enemy, My Dangerous Friend Dorothy Rowe 2012-05-23 Stories about siblings abound in literature, drama, comedy, biography, and history. We rarely talk about our own siblings without emotion, whether with love and gratitude, or exasperation, bitterness, anger and hate. Nevertheless, the subject of what it is to be and to have a sibling is one that has been ignored by psychiatrists, psychologists and therapists. In *My Dearest Enemy, My Dangerous Friend*, Dorothy Rowe presents a radically new way of thinking about siblings that unites the many apparently contradictory aspects of these complex relationships. This helps us to recognise the various experiences involved in sibling relationships as a result of the fundamental drive for survival and validation, enabling us to reach a deeper understanding of our siblings and ourselves. If you have a sibling, or you are bringing up siblings, or, as an only child, you want to know what you're missing, this is the book for you.

Flawed Families of the Bible David E. Garland 2007-03-01 Most Christians believe that the Bible holds the answers to their questions about daily living, and that reading the Scriptures will show them good examples to follow for their own lives. Think for a moment and try to list a few examples of healthy families in the Bible who are ideals worth emulating. Having trouble? The families of the Bible were far from perfect, and not so different in that regard from our imperfect families today. In *Flawed Families of the Bible*, a New Testament scholar (David) and a professor of social work (Diana) take a real and close look at the actual families of the Bible. This honest book will inspire and encourage readers with its focus on the overarching theme of hope and grace for families, showing that it is in the "imperfect places" that we can catch a glimpse of grace. Perfect for pastors, counselors, and anyone in a flawed family.

31 Days of Prayer for My Teen Susan Alexander Yates 2004-09-01 Parents of teens today face overwhelming challenges. Whether a model child out in a dangerous world or a rebellious maverick who's breaking mom and dad's hearts, every teen needs prayer. But where do parents start? Susan Yates offers parents a clear-cut and simple plan for praying for their teens. *31 Days of Prayer for My Teen* helps parents focus on the needs of their teens and pray effectively for things like o moody, unloveable, or rebellious teens o friends and role models o temptation and decision making o sibling rivalry and anger o self-centeredness and doubt o and much more. Each prayer includes Scripture readings and journal questions for more in-depth study.

Say Goodbye to Whining, Complaining, and Bad Attitudes... in *You and Your Kids* Scott Turansky 2009-09-30 Adding honor as a factor in raising kids ...and parent-child relationships. Dr. Scott Turansky and Joanne Miller offer a thorough program for establishing honor as a basis of family life — not just children honoring parents, but parents respecting children and children honoring each other. Even if honor seems a long way off in your household, you will find practical suggestions here to bring that goal a little closer — suggestions for kids of all ages. Honor is the biblical value that will bring about good behavior. It's more than just changing what kids do; it's changing the deeper issues of the heart that triggered the behavior.

Your Family, God's Way Wayne A. Mack 1991 As a husband, father of four, and family counselor, Wayne A. Mack knows what makes families tick. Here he offers biblical insight and practical wisdom into two crucial areas of family life: communication and conflict resolution. Alerting us to the pitfalls of faulty communication, such as "undertalk," "overtalk," poor listening, forms of falsehood, and "circuit jammers" to communication, Mack examines why families fight and explains the key to turning family discord into harmony. Firsthand success stories and highly practical application questions give hope and clear direction to all who wish to build stronger families God's way. - Back cover.

To God Be the Glory Elfriede Mollon 2006-04-01

Mile Markers of Faith David L. Slater 2021-03-16 In all my years behind the wheel of a car, I have often seen normally calm and polite people transform into the most inconsiderate and impatient people. I believe that in this "hurry-up world," this is a common problem for many of us. David Slater has written an honest and transparent account of his personal struggles to maintain his cool and his Christian faith while behind the wheel. Using the Bible Epistle of James, Slater likens life to a journey and brilliantly highlights life's struggles, doubts, and frustrations as mile markers toward the building of character and maturity, and was surprised to realize that all these lessons also had the side benefit of making him a better driver. Whether you are a Christian or not, if you struggle with impatience and anger while driving, this book is for you. It not only will make you a better driver but also, more importantly, may lead you to a much-closer relationship with God.

Women Living Well Courtney Joseph 2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: *Simple Solutions for Studying God's Word* *How to Handle Marriage, Parenting, and Homemaking in a Digital Age* *10 Steps to Completing Your Husband* *Dealing With Disappointed Expectations in Motherhood* *Creating Routines that Bring Rest* *Pursuing the Discipline and Diligence of the Proverbs 31 Woman* There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

Pathway to God's Treasure Lenya Heitzig 2001-06-18 Bible study and journaling questions guide women through Ephesians and help them apply biblical truths to their lives. Whether sharing their discoveries in small groups or using it for individual study and reflection, women will find fresh insights in this book.

Raising the Balance Bianca Archibald Minor 2007-08-31 This book *Raising the Balance: Single Parenting* is a personal experience of a single mother, while balancing the multiple aspect of life. My Pastor, Dr. Ralph Douglas West, has taught us that any help or need we may have for balancing life, can be found in the Bible. The points made in this book deals with the many facets of life when raising children, while using a biblical point of view along with my experience to help in dealing with that particular situation. I am presently in the process of finishing the study guide to this book. It will give a more detailed look for the studious Christian, who would like to dig deeper into what God has to say about parenting and balancing life as a whole.
