Big Words Small Stories: The Traveling Dustball Judith Henderson 2019-04-02 Watch out! Big Word coming in for a landing! The second book in the Big Words Small Stories series follows the adventures of Davey and his dog, Abigail. When Davey tries to sweep an enormous dustball out the front door, the wind lifts the dustball into the air, and Davey and Abigail with it! Their flying dustball takes them on exciting adventures to places around the world, including Italy, China and Switzerland, which makes for some great stories (five, to be exact)! As with the first book in the series, the mischievous Sprinkle Fairy and her helpers have slipped a Big Word, its pronunciation and definition into each story. The stories include Big Words like lollygagging, irksome and phenomenon Ñ what kid could resist trying those out?! Sometimes, only a Big Word will do!

Queen Dog Bridget Heos 2017-01-03 Queen Dog has ruled her castle with grace and majesty since she was a pup. Her people adore her. They provide her with delicious meals and shower her with attention. Lately, though, they have been a bit distracted and service has started to slip. Queen Dog tries her best to make do--but then a stranger moves into the castle! Who is this tiny newcomer commanding all the attention? A servant, or a pretender to the throne? With comic action and a regal twist, Queen Dog turns a royal pain into a perfect princess.

Who Wants to Be a Princess? Bridget Heos 2017-03-21 Did you ever wish to be a princess? Have you ever wanted to wear a pretty pink gown, sing to your forest animal friends, and attend a fancy fairy-tale ball? Then meet Beatrice—she represents what being a princess in the Middle Ages was really like. Pink gown? More like itchy wool! Sing to animals? Think archery and horseback riding instead. Beatrice's life is no fairy tale, but she will show you that fact can sometimes be more fascinating than fantasy. This humorous, brightly illustrated book offers an irresistible comparison of fairy tale vs. real life in medieval times.

Randy, the Badly Drawn Horse T. L. McBeth 2020-08-04 T. L. McBeth's Randy, the Badly Drawn Horse is the hilarious picture book tale of a child's illustrated creation who (never having seen himself) thinks he's extraordinarily beautiful. Randy knows he's a beautiful horse—everyone says so. From his silky coat to his perfect smile to his very name, reserved only for the most special of creatures, Randy is beyond compare. This laugh-out-loud picture book plays with expectations and takes you inside a child's imaginary world, through construction-paper mountains, popsicle-stick forests, and sandpaper deserts. Readers are sure to fall for this maybe-not-so-beautiful but wholly endearing character.

Quiet Tomie dePaola 2018-10-09 In this gorgeous and contemplative New York Times bestselling picture book, legendary author-illustrator Tomie dePaola reminds us that mindfulness—being quiet, still, and present with one another—is a very special thing. Everything is in such a hurry, busy as busy can be. The birds are flying so fast, the dragonfly is zooming over the water—even the trees are waving their leaves. So what if we sit here, you next to me...and we can just be?

Let's Meet a Doctor Bridget Heos 2014-08-01 What does a doctor do? These kids have a few ideas. But to learn more, they talk to Dr. Zambil. He tells them how he helps sick or hurt kids feel better. Mapping Sam Joyce Hesselberth 2021-02-03 An adventurous cat named Sam explores her neighborhood at night in this gorgeously illustrated book. Informational, beautiful, and deeply moving, Mapping Sam is both a book about how maps work and an engaging, character-driven story. This picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It's a fun way to learn to read and as a supplement for activity books for children. For fans of Brandon Wenzel's They All Saw a Cat and Sara Fanelli's My Map Book, and for anyone who wants to know what is where and how to get from here to there! Maps can show us streets and subways and cities and countries. But they can also show us what we can't see, what we can only imagine, or how to build something. In Joyce Hesselberth's Mapping Sam, Sam the cat puts her family to bed, and then--when all is quiet--heads out to explore her neighborhood. As Sam follows her customary path, wandering farther and farther away from home, readers encounter different kinds of maps illuminating different points of view and the various spots Sam visits. Finally, when Sam reaches her favorite place and confirms that all is well, she heads back home, climbs onto a cozy bed, and falls asleep. An ideal read-aloud for classrooms and libraries, Mapping Sam features a page of background information, as well as various maps and map terms throughout. Perfect for fans of Lynne Rae Perkins's Frank and Lucky Get Schooled and Peter H. Reynolds's The Dot. --Kirkus Reviews (starred review)

Mustache Baby Bridget Heos 2013-05-14 When Baby Billy is born with a mustache, his family takes it in stride. They are reassured when he nobly saves the day in imaginary-play sessions as a cowboy or cop and his mustache looks good-guy

great. But as time passes, their worst fears are confirmed when little Billy's mustache starts to curl up at the ends in a suspiciously villainous fashion. Sure enough, "Billy's disreputable mustache led him into a life of dreadful crime." Plenty of tongue-in-cheek humor and cartoonish illustrations make this the perfect baby-shower gift for a mustachioed father-to-be. Do You Really Want a Lizard? Bridget Heos 2015-07-01 "Several lizards (and the narrator) teach a young girl the responsibility--and the joys--of caring for a pet lizard. Includes "Is this pet right for me?" quiz"--

Stegothsaurus Bridget Heos 2018-06-12 A fun, playful, energetic story starring two stegosaurus and one stegothsaurus about family—and synonyms!—for the young word lover in your home, residence, or abode!

Stegothsaurus's love of language has always put him at odds with his stegosaurus brothers. So when he makes a friend—an allothsaurus—who is just as verbose as he, he is happy, thrilled, and ecstatic! But Stegothsaurus soon learns that the allothsaurus has very different ideas about what constitutes a good meal, and he'll discover there's one thing that he loves more than words: his family. Featuring clever but simple text from Bridget Heos and bold, exuberant art by T. L. McBeth, Stegothsaurus introduces young readers to a memorable, original, unforgettable dinosaur hero. Stegothsaurus Bridget Heos 2018-06-12 Stegothsaurus has little in common with his fellow dinosaurs until he meets an allosaurus that seems as hungry for synonyms as he is.

Shell, Beak, Tusk Bridget Heos 2017-04-04 We think of evolution as a tree with branches that make clear, linear sense—with one animal and its traits clearly derived from one that came before it genetically. But what about animals who share key traits but aren't on the same family tree? This is called convergent evolution, and it's the big idea that Bridget Heos tackles in a kid-friendly way in Shell, Beak, Tusk. From mammals to reptiles, and everything in between, Heos manages to make some intriguing comparisons—and bring to life theories of evolution and convergent evolution in bite-sized, easily digested chunks of fun facts, illustrated with full-color photography throughout.

Cowpoke Clyde and Dirty Dawg Lori Mortensen 2013 Following increasingly chaotic attempts to give his dog a bath, Cowpoke Clyde discovers there is only one way to get Dawg into the tub.
