The Fox and the Ghost King Michael Morpurgo 2016-09-22 A delightful tale of victory against all odds from master storyteller, Michael Morpurgo, lavishly illustrated by Michael Foreman.

Long Melford Stained Glass Colouring Book Simon Edge 2022-07-09 The stained glass windows of Holy Trinity Church at Long Melford in Suffolk are one of the glories of England's medieval heritage. Most stained glass from this period was destroyed in the Reformation, when the Tudor boy king Edward VI ordered religious imagery in churches to be destroyed, and later in the Civil War. The glass at Long Melford is a rare survival. Its mainly secular images show East Anglian dignitaries and their wives, some of them familiar names in the history of the Wars of the Roses, and provide an unparalleled record of 15th-century costumes, heraldry and hairstyles. The 36 line-drawn images based on the figures in the windows - with an introduction on the history of Long Melford and a short biography of each character - will provide hours of colouring entertainment for adults and children alike. Long Melford's stained glass is in urgent need of conservation. All proceeds from the sale of this book go to the restoration fund

Audubon's Birds of America Coloring Book John James Audubon 1974-01-01 Including the red-winged blackbird, painted bunting, wood duck, great blue heron, ruby-throated hummingbird, purple finch, and blue jay, 46 different species of birds from all parts of the United States are included in this book. The pictures have been faithfully redrawn by Paul E. Kennedy from originals by John James Audubon (1785-1851), the most famous American painter-naturalist. For each species, the caption supplies the modern common and scientific names and the current range (by general region). No distinction is made between breeding range and winter range. Only the area of the United States, exclusive of Alaska and Hawaii, is considered. The birds shown are usually adult males when the caption does not give the information on age and sex. Audubon's original plates, numbered to correspond to the pages of the book, have been reproduced in color on the covers. If you follow them, you will not only have a great deal of coloring pleasure, but you will also learn how to identify many important birds.

Wonderful World of Horses Coloring Book John Green 2005-10-01 Thirty handsome illustrations capture the legendary grace and beauty of the horse and are ready to come alive with your colors. Captions.

A coloring book featuring original illustrations inspired by the sights and scenes of Diana Gabaldon's bestselling Outlander series.

In the Wars of the Roses Evelyn Everett-Green 2019-06-14 It was no small act of heroism to which the boy made up his mind in those few moments. Those were lawless days, and human life was held very cheap. The band of fierce men who had believed they were carrying off a prince, would think nothing of running him through with their swords when they discovered how they had been tricked, and that by a mere child. Paul set his teeth hard and braced himself up for the task he had set himself. He knew his peril he realized it too; but he was a soldier's son, and had he not said he would live and die for the prince? Would he ever be worthy of the knighthood every lad looked forward to as the goal of his ambition, if he shrank now from the task he had set himself? Hardly had that resolution been taken before there sprang out from the thick underwood two or three fierce-looking men, armed to the teeth.

Whatever Is Lovely WaterBrook 2015-12-15 "Color your way to peace and worship. We live in such a hectic world -- but what waits for you inside this cover is a way to quiet the noise, express creativity, and spend some sweet time with God. Each page features an original design from one of a dozen different artists, beautifully illustrating a contemplative quote from an inspirational writer, beloved hymn, or Scripture."--Back cover.

Richard III Michael Hicks 2019-11-26 "The definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch-the most infamous king in British history. The reign of Richard III, the last Yorkist king and the final monarch of the Plantagenet dynasty, marked a turning point in British history. But despite his lasting legacy, Richard only ruled as king for the final two years of his life. While much attention has been given to his short reign, Michael Hicks explores the whole of Richard's fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of Bosworth. Hicks explores how Richard-villainized for his imprisonment and probable killing of the princes-applied his experience to overcome numerous setbacks and adversaries. Richard proves a complex, conflicted individual whose Machiavellian tact and strategic foresight won him a kingdom. He was a reformer who planned big changes, but lost the opportunity to fulfill them and to retain his crown."--Provided by publisher.

Blackwood's Edinburgh Magazine 1835

The Official a Game of Thrones Coloring Book George R. R. Martin 2015-10-27 "A coloring book based on the Game of thrones." --

The Colour of Time: A New History of the World, 1850-1960 Dan Jones 2018-08-09 The top five Sunday Times bestseller. 'Breathtaking' Daily Mail. 'Astonishing' Sun. 'Shimmering' Spectator. 'Extraordinary' Daily Telegraph. The Colour of Time spans more than a hundred years of world history from the reign of Queen Victoria and the US Civil War to the Cuban Missile Crisis and beginning of the Space Age. It charts the rise and fall of empires, the achievements of science, industry and the arts, the tragedies of war and the politics of peace, and the lives of men and women who made history. The book is a collaboration between a gifted Brazilian artist and a leading British historian. Marina Amaral has created 200 stunning images, using contemporary photographs as the basis for her full-colour digital renditions. Dan Jones has written a narrative that anchors each image in its context, and weaves them into a vivid account of the world that we live in today. A fusion of amazing pictures and well-chosen words, The Colour of Time offers a unique – and often beautiful – perspective on the past.

The Wars of the Roses Colouring Book DEBRA. Relax, unwind and express yourself, all while learning about the Wars of the Roses.

Seeking Sanctuary Shannon McSheffrey 2017-06-23 Seeking Sanctuary explores a curious aspect of premodern English law: the right of felons to shelter in a church or ecclesiastical precinct, remaining safe from arrest and trial in the king's courts. This is the first volume in more than a century to examine sanctuary in England in the fifteenth and sixteenth centuries. Looking anew at this subject challenges the prevailing assumptions in the scholarship that this 'medieval' practice had become outmoded and little-used by the fifteenth and sixteenth centuries. Although for decades after 1400 sanctuary-seeking was indeed fairly rare, the evidence in the legal records shows the numbers of felons seeing refuge in churches began to climb again in the late fifteenth century and reached its peak in the period between 1525 and 1535. Sanctuary was not so much a medieval practice accidentally surviving into the early modern era, as it was an organism that had continued to evolve and adapt to new environments and indeed flourished in its adapted state. Sanctuary suited the early Tudor regime: it intersected with rapidly developing ideas about jurisdiction and provided a means of mitigating the harsh capital penalties of the English law of felony that was useful not only to felons but also to the crown and the political elite. Sanctuary's resurgence after 1480 means we need to rethink how sanctuary worked, and to reconsider more broadly the intersections of culture, law, politics, and religion in the years between 1400 and 1550.

Subjects Portrayed in Japanese Colour-prints Basil Stewart 1922

Journal of the Society of Arts 1898

A Court of Silver Flames Sarah J. Maas 2021-02-16 Sarah J. Maas's sexy, richly imagined series continues with the journey of Feyre's fiery sister, Nesta. Nesta Archeron has always been prickly-proud, swift to anger, and slow to forgive. And ever since being forced into the Cauldron and becoming High Fae against her will, she's struggled to find a place for herself within the strange, deadly world she inhabits. Worse, she can't seem to move past the horrors of the war with Hybern and all she lost in it. The one person who ignites her temper more than any other is Cassian, the battle-scarred warrior whose position in Rhysand and Feyre's Night Court keeps him constantly in Nesta's orbit. But her temper isn't the only thing Cassian ignites. The fire between them is undeniable, and only burns hotter as they are forced into close quarters with each other. Meanwhile, the treacherous human queens who returned to the Continent during the last war have forged a dangerous new alliance, threatening the fragile peace that has settled over the realms. And the key to halting them might very well rely on Cassian and Nesta facing their haunting pasts. Against the sweeping backdrop of a world seared by war and plagued with uncertainty, Nesta and Cassian battle monsters from within and without as they search for acceptance-and healing-in each other's arms.

A Chronicle of the First Thirteen Years of the Reign of King Edward the Fourth John Warkworth 1839

The Mary, Queen of Scots Colouring Book Roland Hui 2019-03-05 Queen of Scotland by birth, Queen of France by marriage, and Queen of England by right (some said), the life of Mary Stuart (1542-1587) was the stuff of legend. A monarch at only six days old, Mary's early years were spent at the glittering court of France. Pampered and indulged, she was little prepared for what lay ahead upon her return to Scotland to take up the reins of power. Murder, scandal, and betrayal would send her fleeing to England to seek the help of her cousin, Queen Elizabeth. Mary's fateful journey, which began with so much hope, would lead to her greatest tragedy. Roland Hui, author of The Turbulent Crown - The Story of the Tudor Queens, and artist Dmitry Yakhovsky have come together to create a beautiful colouring book which will be enjoyed by all ages. In The Mary, Queen of Scots Colouring Book, Roland Hui's text introduces the characters, events, and places of this absorbing drama, while Dmitry Yakhovsky's stunning artwork and your colouring bring them to life. Relax, unwind, and express yourself while learning about the exciting and moving life of the fascinating Mary Stuart.

Jasper Tudor Debra Bayani 2015-02-26 New, fully revised and edited edition. Jasper Tudor, born in secrecy in 1431, rose to become one of the key supporters of King Henry VI during the difficult period of English history known as the Wars of the Roses. Devoted to the Lancastrian cause and to his nephew Henry Tudor, Jasper's loyalty led him through a life full of adventure. When he was just six years old, Jasper's life was changed dramatically by the death of his mother, the dowager queen Katherine de Valois, and the arrest of his father Owen Tudor soon afterwards. Jasper and his older brother Edmund were called to court and by 1452 they became the first Welshmen to be elevated to the English peerage. Sadly, Edmund died in captivity in 1456, leaving Jasper to protect his brother's child, the future king Henry VII. Jasper's dedication to the Lancastrian cause took him through many of the well-known battles of the Wars of the Roses, including the historic victory at Bosworth. It is clear that Henry VII owed an enormous part of his success in claiming the throne in 1485 to his uncle, who was his closest adviser, confidante and mentor. In this detailed biography, Debra Bayani clearly shows that Jasper Tudor was a key figure in the tumultuous history of England, detailing his life from his birth in 1431 to his death in 1495. He can rightly be called the "Godfather of the Tudor Dynasty." This edition includes a comprehensive appendix with contemporary Welsh poems translated into English for the first time, and many full page illustrations.

Garden Life 1926
