Nomad's Force Craig Martelle 2017-09-08 They say that behind every great man is a great woman...but what if that woman is a Werewolf? THIS IS A MONSTER BOOK - We have taken pains to price the book low. (Craig is crying in the corner, don't mention I reduced it to what you see). The readers LOVE the Nomad! "This series is one of the best I've ever read." "This is the series that keeps on going with great writing and wonderful characters." "I absolutely love this series, and hate the wait at the same time between books." The Forsaken have gone into hiding, and Terry sends the Force de Guerre's tactical teams on missions around the globe to root the evil ones out. When Ted can no longer keep the pod flying, things heat up quickly in a race to corner and finish Mister Smith. Nomad's Force starts nearly one-hundred years before Michael's return to earth and the events that happen in Justice Is Calling. What does the mundane look like when gearing up for war? This snippet is a taste of that. How can TH keep the blade sharp when no enemy stands before him? What will his kids do? Always his children, but not children. The FDG finds out how small they really are when they have to search the world for their enemy. And the New Schwabenland pod is getting old and doesn't charge like it used to. Is Terry's dominance waning?

World's Worst Day Ever Craig Martelle 2017-05 A resource for fans of The Kurtherian Gambit. End of the world as we know it. Plausible. Scary in its simplicity. Horrible in its effect. Set in the Kurtherian Gambit Universe, this story explains how a few mistakes can have grave consequences. Unfortunately, the technology in the following short story is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."

Release the Dogs of War Michael Anderle 2017-12-15 Stephen walked into the office which Barnabas was using as his judge's chamber. While the massive amount of data Bethany Anne's team was throwing at him was more than enough to assuage his curiosity, he had never felt this way in the last one hundred and fifty-two years. He wanted a vacation. He pulled the top manila-folder and took a look at the name, "Clarissa Bernier, CEO." He opened the folder, and it was now in the agreed upon fashion. There was one page with her typical information of name, age, location, and a two paragraph background and the requested punishment. It was a type of joke now between Barnabas and Bethany Anne. No matter the requested punishment, she would strike it out and write "DEATH" and put a happy face on, with fangs. It let him know that she was not letting up on her desire to make a lot of people pay for Michael's death. The team had already executed six individuals across the world in the last three months. Sean Truitt was just the first one. Stephen interrupted him, "You look tired," he spoke as he took a seat in one of the two blue chairs facing Barnabas's desk. Barnabas leaned back, keeping the folder open, "Is she serious?" He pointed to the document, "Even ADAM, using our agreed punishment matrix is calling for this lady to be punished financially." He closed the folder, "She walks the line towards Michael all the time, brother..." To be continued ...

**Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing.

Judgment Has Fallen Justin Sloan 2017-04-27 But not always for the better. Some love her, some hate her, but the one thing that is causing the city problems is Valerie herself.
