**How to Make Peace in the Middle East in Six Months or Less** Gregory Levey, 2010-09-07 Gregory Levey's modest goal is to solve the Middle East conflict all by himself After returning to North America following a stint in his midtwenties writing speeches for the Israeli government first at the United Nations and then for the prime minister in Jerusalem he thinks he is leaving the madness of the Middle East conflict behind But nothing could be further from the truth Levey soon discovers that everyone on this side of the Atlantic seems to think that they have the solution to the intractable conflict and they all feel the need to tell him about it Fatigued by the endless debate the constant hostility and the cacophony of shrill voices he decides that the only way he is going to escape it all is if he solves the conflict himself once and for all So Levey sets out on a hilarious quixotic and surprisingly illuminating quest to broker a peace deal where a long line of world leaders have failed Interacting with White House officials DC lobbyists congressmen advisors to presidential candidates high profile journalists secretive fundraisers former Israeli spies now living in North America and hundreds and hundreds of Jewish grandmothers Levey tries to understand why the Middle East situation refuses to be resolved and why so many people who live a world away are so obsessed with it He combs through theories ranging from the eminently reasonable to the completely insane engages in virtual peacemaking simulations investigates an online suicide bombing spends time with a former advisor to Yasser Arafat undergoes training with a half baked Jewish paramilitary group goes undercover as an Evangelical Christian and somehow ends up at a real life castle owned by an eccentric cape wearing crusader for peace In *How to Make Peace in the Middle East in Six Months or Less Without Leaving Your Apartment* Levey brings his trademark brand of street smart levity to a situation that many see as hopeless and thereby reveals the very human and sometimes very silly side of a brutal decades old geopolitical conflict Along the way he meets a cast of characters that would be outright funny if the situation weren't so dire The result is a fast paced humorous and insightful romp through U S policymaking in the Middle East

*The Wisdom Books: Job, Proverbs, and Ecclesiastes: A Translation with Commentary*, 2010-10-11 First time in paperback. One of the most ambitious literary projects of this or any age. Adam Kirsch, *New Republic*. Here in Robert Alter's bold new translation are some of the most magnificent works in world literature. The astounding poetry in the Book of Job is restored to its powerful ancient meanings and rhythms. The creation account in its voice from the Whirlwind is beautiful and incendiary. By contrast, a serene fatalism suffuses Ecclesiastes with a quiet beauty, and the pithy maxims of Proverbs impart a worldly wisdom that is satirically shrewd. Each of these books addresses the universal wisdom that the righteous thrive and the wicked suffer in a rational moral order; together they are essential to the ancient canon that is the Hebrew Bible.
